upon it. The abused and overtaxed stomach does not properly do the work of digestion, food taken in ferments and the poison permeates the whole system. The body loses in weight and becomes a prey for the attack of whatever disease it may

Did it ever occur to you how busy that stomach of yours is? It only holds three pints, but in one year you force it to take in 2,400 pounds of material, digest it and prepare it for assimilation into the blood.

Tostellar Street Presbyterian. Sixteenth and Castellar, Rev. Walt-r H. Reynolds, Pastor-The pastor will picach at 10:30 and prepare it for assimilation into the blood. No wender it rebels when overworked. We crowd it with steaks and pastry, irritate its juices with spices and acids, and expect the stomach to do its work. It can't do it. All over the inner layer of the stomach are glands which secrete the juices necesmary to digestion. The entrance of food

into the stomach is the signal for these glands to do their work. The more the food, and the more indigestible, the greater the demand upon them and upon the muscles of the wall adjoining. Think of the tons of high seasoned game. aweetments and appetizers crammed into

this little four-ounce mill, and then wonder. if you will, why you are dizzy or nauseated or constipated. Don't blame your stomach or curse your fate that you should be born so unfortunate. Blame yourself and apply the remedy.

First, get a smal package of Stuart's Dyspepsia Tablets, taking one after each meal and at bed time. They are not a medicine, but a digestive. Your stomach worn out and needs help, not medicine. Stuart's Dyspepsia Tablets will do the work that the stomach fails to do. There's enough power in one grain of Stuart's Dyapepala Tablets to digest 3,000 grains of ordinary food, so you needn't fear that anything you eat will remain in your stomach undigested

specialists in chronic diseases, and there would be few men seeking a rejuvenation of their physical and mental powers, and there would also be few sufferers from Nervous Debility, Blood Poison, Rectal, Kidney and Bladder Diseases and their complications. But as long as men continue to disregard the golden adage, "A stitch in time saves nine," and continue to neglect themselves, or exercise indifference or toor judgmnt in securing the right treatment at the outset, just so long will there be be mulitudes of chronic sufferers.

You should carefully avoid all uncertain, experimental, dangerous or half-way treatment, for upon the success of the first treatment depends whether you will be promptly restored to health again, with all taint of the poisonous disease removed from your system, or whether it will be allowed to become chronic and subject you to future recurrence of the dis-

ease, with the various resulting complications. WE TREAT MEN ONLY AND CURE PROMPTLY, SAFELY AND THOROUGHLY NER-VOUS DEBILITY, BLOOD POISON, SKIN DISEASES, KIDNEY and BLADDER DISEASES and all SPECIAL DISEASES and their complications.

Office Hours: 8 a. m. to 8 p. m. Sundays,

Come to our Institute and we make a thorough, searching and scientific examination of your aliments free of charge, an examination that will disclose your true biysical condition, without a knowledge of which you are groping in the dark, and without a thorough understanding of which no physician or specialist should treat you. All men who are not what they should be, who are weak, nervous and debillated from any cause, or who may at present be suffering from the results of ignorance, neglect, dissipation, etc., will find it well worth their time to come for free consultation and examination in the State Medical Institute, which has long been established for the purpose of curing the diseases and blighting weaknesses that destroy mea's mental and physical powers, which make the duties of life a hardship and happiness impossible.
