## An "Ideal" Furniture Store with "High Ideals"

## Music and Flowers

Monday,  
Tuesday and  
Wednesday

You may correctly apply the word "Ideal" to the physical condition of this store, but there are other and more vital elements necessary to make the store "Ideal". A spacious building assures comfort and easy buying. Magnificent fixtures and surroundings please the eye. Perfect ventilation promotes health and comprehensive assortment of merchandise obviates the necessity of shopping around. Quick elevator service eliminates delay. These are sure conditions which may be termed "Ideal." Good and reliable service is an essential feature. Absolute integrity must be observed and full measures of value given in exchange for your money. These are the things you expect and the store that comes nearest to your expectations will be the nearest approach to the "Ideal Store".

### It Will Be Our Aim to Make Every Transaction a Satisfactory One From the Patron's Point of View.

To provide every means of safety and comfort to those within our doors.

To make COURTESY, ACCOMMODATION and INTEGRITY the very ATMOSPHERE of this business, to accord one and all uniform consideration.

To maintain at all times the very lowest price standard.

To constantly improve our methods and systems.

To carry complete lines of all grades of FURNITURE, CARPETS, RUGS and DRAPERIES, from the Least Expensive Dependable Goods to the Most Expensive, making this pre-eminently

### Everybody's Store

The Assemblage of the great and diversified stock, ALL ENTIRELY NEW was a tremendous task.

We have spent months and months searching the markets with a view of gathering the most comprehensive and best selected stock of FURNITURE, CARPETS, RUGS, LACE CURTAINS and DRAPERIES shown in the west, and our EFFORTS have been crowned with "SUCCESS."

The giving of values depends entirely upon the purchasing power of the concern. In order to sell for less it is necessary to buy for less and quantity always govern price.

The enlargement of our business means the securing of greater price concessions than ever and these concessions are reflected in the prices we quote.

It has always been customary to present each visitor with some small token to further the remembrance of the giver, and we shall not depart from this custom, but SOUVENIR BARGAINS ARE the feature of our OPENING

To advertise our store and to attract public interest so that they will visit each floor, we are offering them

## Souvenir Bargains that are Exceptional Monday, Tuesday and Wednesday Only

WE ARE taking a loss on MANY, MANY items, but these bargains are given as SPECIAL SOUVENIRS. Space permits us to quote only a few of the SOUVENIR BARGAINS which are represented in each department. READ AND BECOME WISE.
