STORE OPEN SATURDAY EVENINGS.

to a vote, but instead, defeated the motion had announced the vote, McMullen attempted to get recognition to demand a by Cone of Saunders that the motion for a call of the house came too late. There was no debate on the motion, McMuilen merely explaining for the benefit of those not present yesterday that he desired to send the bill back to the committee to change it to its original form in so far vote on his motion was as follows:

Open Primary Wins Again. It was just at the noon hour when the vote on the motion to recommend the bill for passage was put, and of those who opposed it, King was the only one to vote against it. After the committee rose, its recommendation was adopted by the senate without opposition.

Reciprocal Demarrage Bill. mittee of the whole the house recommended for passage a reciprocal de murrage bill be Quackenbush of Nemaha. which was liberally amended by the standing committee. The measure is considered by its sponsors of vital importance to the small shippers especially. It provided there shall be no discrimination against any persons in the matter of furnishing cars by the railroads and that a complete record shall be kept of the date when applications are made for cars; if the cars are not furnished within a specified time \$1 a day is charged against the railroad company which is paid into the school fund and damages may be recovered by the shipper. The same penalty is attached should the shipper fall to unload the car in the speci-There was no discussion over the bill, but it was recommended for pass-

Another measure of importance, in that it wipes out the county assessor and returns to the old precinct assessor plan, was recommended for passage by a vote of 41 to all, rests with the state board, and that is over the opposition of Speaker Nettleton, Otoe, Hill of Chase and others. The fu- of the bill." sionlets, of course, were behind this bill to the limit and they secured enough re- board since the passage of the 1908 revenue publican votes to bring about favorable bill and is in a good position to know of district judges to \$3,000 was recom-Speaker Nettleton and Harrison whereof he speaks.

the bill back to the closed primary came precinct assessor method of assessing property, but it had no effect. Both said the been found so and the house would be justified in sticking to it, but the house didn't cell of the house, but the speaker, falling think so. The bill was introduced by Johnson of Saline, who made a splendid effort to see him, did not recognize him, and son of Saline, who made a splendid effort later sustained the point of order raised to get it received favorably. A motion to indefinitely postpone it was defeated by a vote of 33 to 49.

Railroad Commission Bill. Among the bills passed by the house to day was H. R. 305, known as the railroad commission bill, and not a single vote was cast against it. The fusionists sent up the as the closed primary is concerned. The following signed statement in explanation

We, the undersigned, of the minority membership of this house desire to explain our vote and to vote "aye" on H. R. 305, the railroad commission bill, believing it to be a proper step in the direction of destroying those discriminations the common carriers of this state have for years been employing against the people they should serve, but we believe this legislature should not adjourn without having enacted maximum freight rates upon such commodities as grain, live stock, cosl, lumber, fruit and vegetables, off, both fuel and refined, and we piedge the majority membership of this legislature our every support to pass reasonable maximum rates upon these products, and to feduce these rates to a basis now in force upon these same systems of railroad, in our neighboring states of Kahsas, lows and Missouri and other like situated committee tonight voted a thand to protuce in the railroad committee tonight voted a favorable report on Sackett's reciprocal demors in the railroad committee tonight voted a favorable report on Sackett's reciprocal to protuce of railroads to provide cars within a freasonable time after application by shippers.

Læeder's double shift bill for Omaha firemen was advanced by the citizens' common in the same and was favored by the citizens' common more in favorable report on Sackett's reciprocal demors in the salve are protuced to provide cars within a favorable time after application by shippers.

Læeder's double shift bill for Omaha firemen was advanced by the citizens' to provide cars within a favorable time after application by shippers.

Læeder's double shift bill for Omaha firemen was advanced by the citizens' to provide cars within a favorable report on Sackett's reciprocal demors in the vertical to provide cars within a favorable report on Sackett's reciprocal to provide cars within a favorable report on Sackett's reciprocal to provide cars within a favorable report on Sackett's reciprocal to provide cars within a favorable report on Sackett's reciprocal favorable report on Sackett's uated commonwealths.

After killing the Thomas amendment the bill was recommended for passage.

King's joint resolution providing for an amendment to the state constitution increasing the number of judges of the supreme court to seven and raising their salaries to \$5,000 and increasing the salaries mended for passage without debute. The following bills were also recom-

mended for passage:

mended for passage:

H. R. 77—By Hart. Defining the crime of burgiary with explosives and providing a penalty of from twenty years to life.

H. R. 63—By Dodge. Removing the thirty-year limit from the life of hospital corporations, allowing them to hold an unifmited amount of property and permitting them to receive bequests.

S. F. 377—By Luce. Relating to the changing of abandoned town sites.

H. R. 62—By Klefer. Allowing towns and villages to regulate railroad crossings.

B. F. 344—By King. Relating to the conferring of degrees by schools and colleges.

S. F. 348—By Glouid. Relating to the method of investing school fund in state warrants.

warrants.
The druggists who have been making a fight on the senate pure food bill won a point today when the bill on motion of Ashton of Hall was recommitted to the standing committee on commerce and manufactures for specific amendment. The amendment desired consists of the substitution for the two sections relating to drugs of sections containing the provisions of the national law. Instead of requiring that the ingredients of proprietary medicines be placed on packages, the amendment requires only that the presence of certain ecognized dangerous drugs be indicated. The provision is not to apply to prescrip-tions by physicians, veterinarians or den-Section 5 provided if a dealer can establish that he has a guaranty from the wholesaler or manufacturer that the article is not adulterated or misbranded within the meaning of the act he shall not be proseouted. interests of the amendment and a cowd of them were in the senate chamber when the action was taken.

A proposal to fire two of the pages who have been working in the senate precipi-tated a discussion this afternoon. Secretary Goulding, who was placed in charge of the employes, recommended that Pages Hyde and Osthoff be discharged "for the good of the service." Chairman Gibson of the committee on employes recommended that the recommendation be complied with, but several of the senators objected to summary action and the matter was referred to the committee on employes.

Governor Sheldon has requested the introduction of two bills to cure defects in present statutes relating to the establishment of heating and lighting plants in cities of the second class and villages. These are the first bills the governor has asked to have introduced since the expiration of the forty-day period for introducing bills. One measure authorizes the establishment of heating and lighting plants by these municipalities and the other permits them to issue bonds for this purposs. The action of the governor was taken at the request of Senator Thomson.

ROUTINE PROCEEDINGS OF HOUSE Road Bills Made a Special Order for Thursday.

(From a Staff Correspondent.) LINCOLN, March 12. - (Special.) - The house has made a special order of all the road bills for next Thursday morning at 10 o'clock. Among the bills recommende for passage in the committee of the whole was the orthopedic hospital bill providing an appropriation of \$30,000 for a building and \$27,000 for maintenance. There was no debate on the measure. The building, of course, is to be located in Lincoln. special committee reported that it had no time to make an investigation of a binding twine plant, but recommended the passage of the Quackenbush bill appropriating \$150,060 to start a binding twine plant at the state penitentlary. The following bills were passed:

H. R. 306—Railway commission bill, unanimously.

H. R. 288—By Marsh of Seward. Providing Christian Scientists should be governed in reporting contagious diseases by the same law applying to physicians.

H. R. 114—By Fries of Howard. Providing fees for district clerks.

H. R. 212—By Wilson of Custer. Providing fees for county surveyors.

H. R. 202—By Knowles of Dodge. Compelling railroads to sell 1,000 mileage books for \$20, good for two years and in the hands of bearer.

H. R. 371—By Walsh of Douglas. Providing a penitentiary penalty for stealing \$5 worth of chickens.

H. R. 211—By Gliem of Red Willow. Permits abstracters to give surety bonds.

H. R. 212—By Harvey of Douglas. Providing for retirement of notes given mutual insurance companies. H. R. 306-Rallway commission bill, unani-
