Why Reynolds Moved—Several years ago

Bob Reynolds took an upright homestead in the Custer county and hills, and he would still be there if it had not been for a little gust of wind that came by one day and turned his well inside out and spilled the water, blew the cellar under the sod house, blew away the township line, changed the day of the week and blew the mortgage of an adjoining section into his quarter, knocked all the cracks out of his wife, and landed Bob in good old Kearney again.—Kearney Hub.
