pit weekness at the opening or selling by pit traders who were influenced by lower cables and liberal receipts in the north-west. Before the end of the first hour, however, the market had regalized all of the early loss and as trading progressed centiment became still more builtsh. While numerous damage reports were received there were also many advices that the fail sown crop is generally in good con-dition. The market derived its strength chiefly from the advance in the price of corn and cats. During the hast hour shorts covered freely and the market closed strong, final quotations being close to the highest point. May wheat opened to the and closed at 75% to 75% c. advanced to 7% and closed at 75% for Clearances of wheat and flour were equal to 136 &00 bu. The world's visible supply as shown by Bradstreets increased 765,000 bu. Primary receipts were \$5,000 bc. against \$43,000 bu. for the same day last year. Minnespolis Duinth and Chicago reported receipts of 427 cars, against 518 last week and 352 a year ago.

ago. Asyressive buying, due to the fear that the crop movement will soon decrease, caused decided strength in the corn market.

the crop movement will soon decrease, caused decided strength in the corn market. Receiving houses generally reported that country offerings were light. The market closed strong, May corn opened un-changed to 40% and closed at the top. Local receipts were S74 cars, with one of contrast grade. May oats advanced more than 16 be-gause of an urgent demand by buil leaders. The more distant futures, however, were inclined to frag because of reports that seeding has been started in portions of lillnois under favorable conditions. An advance of by to 16 in the price of cash grain strengthened the options. May oats opened by to the in the price of cash grain strengthened the options. May oats opened by to he he options. May oats opened to a so advance in the price of live hogs. The hog market weakened later and portisions also declined. At the close flay pork was off 125c at \$15.72% Lard was down 125c at \$3.72%. Ribs were 125c0 the lower at \$3.72% at \$15.72% Lard was down 125c at \$3.72%. The bog cars; bogs. \$2,000 head. The leading futures ranged as follows:
