be made a special order for Saturday at

"I move to amend by having the speaker name two republicans and one of the mipority," came from Cone, who said he offered the amendment because the speaker said he intended to be fair with the mimority.

"Does the gentleman from Saunders say the speaker has not been fair to the minority?" asked the speaker.
"Yes, sir, I do," replied Cone.

"Keep it up, then, Mr. speaker," chimed in Barnes of Douglas. The Cone motion recommended to pass, was lost. Hamer moved to take a recess until 7:36. This was lost. The Farley motion was lost, and on motion of McMullen mittee, which committee drafted the house

No Talk of Adjournment. The return of the green grass and the warm weather today gave a number of the members the itch to get back to the been little talk of adjournment yet. The senate tried to appoint a conference committee to set the day, but it failed beto even talk of it and the matter will not discussed until after the platform edges are farther along toward the govrnor's office. In the house the members will serve only five more days on pay and in the senate only six more. There seems to be a general sentiment that all the work night, but to do all that is required to be done may take longer than this and follows: Speaker Nettleton is not going to stand for any thought of adjournment until

Maximum Preight Rate Bill. Aldrich's maximum freight rate bill fixing maximum rates at 85 per cent of present schedules in the case of certain named commodities in carload lots was passed by the senate this morning. Those who opposed the bill in committee of the whole offered no opposition to it today and every senator present voted for the bill. Among the other important bills passed by the upper body today were the bill relating the powers of the bureau of commerce. statistics and labor; the Sibley bill providing divorces shall not become absolute ing the published criticism of the bill six months; the Patrick highway bill, known as H. R. 271, introduced by him at and the McKesson bill requiring elevator the request of I. J. Dunn; companies to make a daily report of

tate levy for the State university for
he coming blennium and the money in
he fund unappropriated for the last bi-H. B. 395—By Alderson of Madison. ppropriating \$28,000 for new buildings at

he Norfolk asylum.

H. B. 197—By Fletcher of Antelope.
Permitting the incorporation of accident naurance companies.

H. B. 355—By Hart of York. Providing for an additional bank examiner, prohibiting the organization of any more private banks and permitting more than one examination of a bank in a year when nec-

H. R. 440—The salary appropriation bill. B. F. 32—By Hanna and Phillips. Pro-iding for eight junior normal schools. S. F. 492—By Randall of Madison. Fer-ditting small cities to engage in sewer

The house decided to hold a Saturday

Armstrong of Nemaha submitted a resotion asking the railway commission to vestigate the matter of rates on domestic fruits, which carried.

A conference committee was appointed n the railway commission bill consisting of E. P. Brown of Lancaster, Scudder of Hall and Keifer of Nuckolls. The house had made the Adams stock

ards bill H. R. 479, and H. R. 496, by run of Garneld, prohibiting pooling of

morning. At the time for consideration both introducers desired to postpone conalderation, but the house went into comfulltee of the whole to take up both bills. TL R. 69, lowering commissions of com mission men, reducing charges for feeding live stock and regulating the conduct of the stock yards, was recommended to pass, with the provisions for reduced commissions stricken out and with a substitute for the schedule of feeding charges as provided in the bill. On motion of Cone of Saunders an amendment was added compelling the stock yards companies to file

Action was postponed on H. R. 495 and it was made a special order for Saturday at I p. m., it being stated that when this bill is taken up the matter of reduced commissions also will be considered. The anti-pass bill. S. F. 2, by King of

an annual statement of their financial con-

Polk, was considered in committee of the whole, and after spending three bours in the endeavor to decide whether to endorse the senate bill with amendments or to demand the passage of the house bill by the senate, the house recommitted the bill to the standing committee on railroads. In the committee of the whole tonight the house acted favorably on the following

bills:

H. R. 236—By Jenison of Clay. Providing applicants for notary's commission shall fake an examination before a district judge, pay 55 for the commission and secure a petition signed by twenty-five people before application is made.

H. R. 33, 204, 35—By E. P. Brown, Correcting clerical errors in statutes relating to appeals to supreme court.

H. R. 84—By Johnson of Saline. Providing for election of precinct assessors in counties of less than 25,000.

H. R. 199—By Dodge of Bouglas, Changing names of state institutions to Nebraska School for Deaf at Omaha, Nebraska School for the Blind at Nebraska City and Orthopedic hospital at Lincoln.

H. R. 31—By the finance committee, Appropriating \$55,000 for a state historical society building when Lincoln gives back to the state the block of land formerly owned by the state. owned by the state.

H. R. 250-By Byram of Burt. Appropriating to Thurston county \$1.849 for money spont in prosecutions of Indians.

H. R.—By Heffernan of Dakogo. Appropriating \$25,000 for a heating plant at the Peru Normal school, which Peter Mortensen said is not needed. ed by the state

ROUTINE PROCEEDINGS OF SENATE

Large Number of Bills Passed at the Morning Session.

(From a Staff Correspondent.) LINCOLN, Murch 21 .- (Special )-The session of the senate this morning began with a scrap on county option, the bone of contention being S. F. 436, by McKesson, providing for county elections on license or no license, the result of the election to ment. McKesson made a fight to place Practically all of the morning session was devoted to the passing of bills, the

following measures being passed:

S. F. 259-By Randall. Providing two years of high school work as requirement for entering the state normal schools—23 aye, 7 nay.

S. F. 270-By Clarke. Providing for a division of taxes in Joint school districts.

S. F. 380-By Clarke. Providing for expert accountants to assist the state auditor—17 nye, 15 nay.

S. F. 381-By Aldrich. Creating and defining the duties of the bureau of commerce, statistics and labor.

S. F. 282-By Epperson. Placing warehouses under the jurisdiction of the State Railway commission.

prices to the labor commissioner-aye 20,

report on stock foods in accordance with a resolution passed by the senate several days ago on motion of Epperson of Clay. The report was filed today and will be read in the senate tomorrow.
