ant is driven to the wall. It dares not rant even the smallest fraction of the away like chaft before public opinion in States. Austria, as in the whole country a firm conviction exists that by the noncompletion of the settlement Hungary will suffer far greater material loss than Austria, since it has no industries, and as far as credit is concerned is thrown upon Austria. The Austrian government demands that the settlement shall be extended at least until 1935, so that the long-existing uncertainty as to the connection of the two countries shall finally end, and Austria trade and industry may know how long the Hungarian market can be counted upon as open to H. The Hungarian government, under all circumstances, will only agree to a settlement with a duration, at the longest.

of ten years, and wishes to close the difficult discussions before Easter. These are the chief differences, and even when they are solved they will be followed

cult.

Duel Over Baroness.

BUDAPEST, March 23-(Special)-The beautiful Baroness Schoenberger, who played the part of spy at the Austrian up and put on the market as building court for the ex-Hungarian minister of justice, M. Polonyi, was the indirect cause of a duel with swords which was fought here the other day.

ed by a wound which he had received previous duel. The men attacked each other with great fury and in the fourth round M. Rakovsky slashed his opponent deeply in the forehead. He followed this with a stroke which gashed Horvath's left army deeply.

Even then they continued to fight and the seconds had to separate them. They refused to be reconciled and Horvath was carried off for medical treatment.

M. Rakovsky proceeded to the House of Representatives, where he received the congratulations of his colleagues.

QUEEN'S LETTERS IN PRINT Correspondence of Former British

Ruler Will Be Published in Book Form.

LONDON, March 23.-(Special.)-Preparations for the publication in book form of the correspondence of the late Quean Victoria are almost concluded and Mr. Murray, who is to publish this important book. is able to announce that it will be issued October. Exceptional interest attaches

the publication in view of the fact that lever before has the correspondence of a onarch been issued in book form in the lifetime and with the approval of the succeeding sovereign.

Particulars of the publication have been supplied by Mr. John Murray himself. Ever since 1901 he has been engaged in preparation of the book. Having expressed his gratification that the book should have been edited by Lord Esher and Mr. Arthur Officer in Command at Brownaville Benson, Mr. Murray stated that the work of selecting the materials was now practically finished. The correspondence will be issued in three volumes of 600 pages such, the profuse illustrations coming from

King in Motor Accident.

The king was delayed for two hours on the roadside near Harpenden the other Sunday afternoon by the collapse of one of the back tires of his motor car. His majesty, accompanied by Lord Farguhar and Captain Hon. Seymour For-

tenque, was metoring to Luton Hoo, Bedfordshire, to lunch with Sir Julius and Lady Wernher. The tire burst shortly after passing Harpenden common about noon. It was

patched up, but as it was still unsatisfactory, the king was not allowed to proceed in the car. A messenger was acordingly dispatched

Bight Pages to the Railway hotel, Harpenden, to engage a brougham to drive his majesty the remainder of his journey, and a telephone

measage was sent to Buckingham palace for a second car. Meanwhile Bir Julius Wernher, wondering at the lateness of his guest, dispatched

This arrived at the scene of the break down at the same moment as the hole! carriage, and the remainder of the journey was accordingly made by the king in his

lege Athletes; Passing of Some Base Ball host's car, which reached Luton Hoo two hours late. Six Pages The king treated his mishap with entire good humor, alighting from the car when informed of the accident and inspecting the spolled tire. During the interval before the arrival of the car sent by Sir Julius Wernher his majesty strolled about
