RIDPATH'S HISTORY OF THE WORLD

9 Massive Royal Octavo Volumes, 4,000 double-column pages, 2,000 superb illustrations. Brand new, latest edition, down to date, beautifully bound in half Morocco, weighs 55 lbs. We will name our price only in direct letters to those sending us the coupon below. Tear off the coupon, write name and address plainly, and mail to us now before you forget it. Dr. Ridpath's family derive an income from his history, and to print our price broadcast, for the sake of quickly selling these few sets, would cause great injury to future sales. RIDPATH takes you back to the dawn of history, back before the Pyramids of Egypt were built; down through the romantic, troubled times of Chaldea's grandeur and Assyria's magnificence; of Babylon's wealth and luxury; of Greece and Roman splendor; of Mohammedan culture and reformation; of French elegance and British power; to the rise of the Western world, including the complete history of the United States and all other nations down to the close of the Russo-Japan war.
