PAVING CONTRACTS LET TO WICKHAM

Chief of Police Ordered to See that Ordinance Regarding Throwing of Waste Paper and Other Litter in Streets is Enforced.

Anticipating a revenue of \$28,000 the city council last evening, after having approved it in meeting of the committee of the whole during the afternoon, passed the appropriation ordinance for the fiscal year beginning April 1.

Table with columns: Position, Salary. Includes Mayor (\$900), Auditor (\$1,000), Treasurer (\$1,000), etc.

Figures for Last Year.

Table with columns: Position, Amount. Includes Mayor (\$8,475), Auditor (\$8,000), Treasurer (\$8,000), etc.

Changes from Last Year.

The appropriation for the police department is increased \$2,425, to permit of additional men and the purchase of an ambulance.

The appropriation for the fire department is increased \$2,120, to provide for new equipment which is needed.

The appropriation for the city electrician's department, known as the fire and police telegraph, is raised \$600.

The appropriation for printing and supplies is increased \$1,187, to provide for the compiling and publishing of the city ordinances, which work is now being done by Attorney G. H. Scott.

A new appropriation, that for the city hall, is made this year of \$1,500, which includes the salary of the custodian, increased from \$80 to \$145 a month, and provides for fuel and sundry repairs.

A new department, that of health, is provided for this year, with an appropriation of \$1,950, which includes the salary of the city physician of \$500 and provides for all expenses of the police health officer and inspector of meat and food stuffs during the summer months.

The appropriation for streets and alleys is the same as last year.

This year \$1,000 is appropriated for the expenses of the city election to be held in March, 1936.

No appropriation was made this year for Indian creek, as the \$3,000 appropriated for this purpose last year remains intact and in addition there is about \$2,800 which the city received for dirt taken from the creek bed last summer and sold for filling low lying lots.

The mayor is allowed \$300 for office help and the auditor and treasurer are allowed like amounts for clerical help when needed.

The city clerk is given an allowance of \$100 for extra office help. With the exception of that of the custodian of the city hall, all salaries remain as last year.

Wickham Gets Paving Contract. The contract for paving a number of streets, as ordered by the recent resolution, was awarded to E. A. Wickham, he being the lowest bidder.

At the suggestion of Councilman Smith, it was decided to consolidate the bridge repair and the sidewalk repair work under the supervision of Sidewalk Inspector Peterson as an economic proposition.

The matter of the business streets being littered with paper and other rubbish thrown or swept out of stores was the subject of a long discussion, during which Councilman Wallace voiced a protest against the condition of the waste paper boxes installed by an advertising firm at the street corners.

Chief of Police Richmond explained the trouble his men had in compelling merchants to comply with the ordinance prohibiting the throwing or sweeping of waste paper and other refuse in the streets.

It was time the citizens learned to take some pride in the appearance of the streets, and it was decided that the several ordinances governing this matter should henceforth be rigidly enforced.

Copies of the ordinance prohibiting the throwing of waste paper, etc., in the streets are being served on every merchant and business house on Broadway between First street and the Northwestern tracks and on Pearl and Main streets by the police department, after which all violators will be promptly arrested.

Graves Falls to Get Reward. A few days ago Mrs. Annie Banjar, living at 3201 Avenue L, left a handbag containing her handkerch, a small sum of money and jewelry of the value of about \$400 in a street car. She notified the police of her loss and at their suggestion offered a reward of \$25 for the return of the bag and contents.

Yesterday morning Samuel Graves, who conducts a small grocery store at 1931 High street, appeared at the newspaper office publishing the offer of the reward with Mrs. Banjar's bag and without the money. Mrs. Banjar was notified and she in turn called in the police. The result was that Graves was taken into custody by Captain O'Neil and taken to police headquarters.

Chief Richmond insisted that Mrs. Banjar should not pay any reward under the circumstances and Graves was forced to give up his property without receiving the \$25. Graves stated that he had found the bag on the car and had taken it home with him instead of turning it over to the motor conductor.

Mrs. Banjar's home and address were in her bankbook, so Graves could have discovered the owner of the bag by waiting until a reward was offered through the local newspapers.
