You Are Going to "Start to Commence" to be a Success Monday, April 8.

That's the day the Spring Term of Boyles College opens. On that day Opportunity will reach out her hand to you. On that day the Path to Success will be pointed out to you. On that day you will have the opportunity to commence your preparation for a successful career as a high-class stenographer, an expert Accountant or a well paid Telegrapher.

These three fields—Stenography, Accounting and Telegraphy—offer not only the best salaries, but the best opportunities for great advancement to the average young man or young woman today. The preparation is not hard. The necessary training is interesting. Your only care should be to attend the best college, which produces the best Stenographers, Accountants and Telegraphers, who are sure of being offered the best positions.

That college is Boyles College. The fact that we have placed into five positions more Stenographers, more Bookkeepers—and more Telegraphers than any other college in this section of the country proves our claim.
