**HAPPY HOLLOW CLUB READY**

**ARRANGE TO PURCHASE OLD PATRICK HOME**

**Additional Ground Adjoining Has Been Leased for Golf Links—Shares of Stock Are Placed at Hundred Dollars.**

The stockholders of the Happy Hollow club held a business meeting last night in the Commercial club rooms, at which about seventy-five were present. E. A. Benson was chosen chairman and W. L. Selby secretary. The articles of incorporation, which had been prepared by the promotion committee, were adopted. Arrangements have been made by the club to purchase eleven acres in Dundee which is owned by Mrs. Eliza W. Patrick for a consideration of \$20,000. This property is just south of Underwood avenue, and there are three substantial buildings on it which can be utilized by the club. The committee that looked over the buildings says that an expenditure of a few thousand dollars will transform the largest building into an up-to-date club house. The club also decided to accept the proposition of the Dundee Realty company for the leasing of a thirty-acre tract just west of the Patrick property, to be utilized for golf links and other field sports. The lease will run for a term of fifteen years, the club getting it the first two years for merely paying the taxes, and for the remaining thirteen years for an annual rental of 5 per cent on a valuation of \$500 per acre.

The capital stock of the club is \$20,000, represented by 200 shares of \$100 each. The question of allowing liquor to be sold upon the grounds of the club was brought up and several speeches were made for and against the proposition. Some of the members were in favor of malt and vinous beverages being dispensed on the grounds, but were opposed to spirituous liquors. Others made speeches declaring they did not wish to become partners in the liquor business in however mild a form. A resolution was offered by Harry Dodge against the sale of any kind of liquor on the club grounds. A resident of Dundee informed the club that Dundee would not permit the club to sell liquor on their grounds. Harry Dodge replied that if the matter is to be adjusted by the citizens of Dundee there was no use in voting on the resolution. The resolution was carried by a rising vote.

The directors appointed were: E. A. Benson, J. R. Webster, E. H. Gaines, three-year term; H. W. Yates, Jr., Euclid Martin, A. T. Austin, two-year term; Robert Dempster, W. L. Selby, A. J. Cooley, one-year term.

The club starts in with the following stockholders:

**M'KINLEY CLUB ELECTION**

Annual Meeting the Occasion for Congratulations and Rejoicings.

The annual meeting of the McKinley club was held Monday evening at the Chesapeake cafe, with a large and enthusiastic attendance. The proceedings opened with an informal banquet, with Vice President Charles Foster as master of ceremonies and chairman of the meeting. Officers for the ensuing year were elected as follows:

President, Isidor Ziegler; vice presidents, W. M. McKay, C. C. Hodder, Frank Woodland; secretary, Harry S. Byrne; treasurer, John J. Ryder; directors, Charles G. McDonald, Henry P. Leavitt and Frank Crawford.

Following the election of officers brief reports were delivered by Judges W. O. Bears and A. H. Sutton. Both were full of fervor and paid a high tribute to the energy and work of the club as a political factor for the bettering of political conditions in Douglas county and throughout the state.

Master of the banquet committee submitted a report of the annual banquet of the club showing the total receipts to have been \$882.70, from all sources, including the sale of tickets. All bills have been paid and the club has a clear balance sheet, with a snug fund in the treasury.

The report of the committee was received and approved, and a vote of thanks was tendered the committee for its efficient services and to all who contributed in any way to the success of the banquet.

Upon the recommendation of Treasurer Ryder, it was decided that all members who have not paid their dues, and who shall pay their dues of \$2 within the next ninety days, shall be credited with the same to April 30, 1908.

Mr. Ziegler submitted an amendment to the constitution that the president shall be empowered to appoint an auxiliary committee to assist the banquet committee in making arrangements and securing the presence of notable speakers for the annual banquets of the club, which are held on McKinley's birthday anniversary. The resolution went over under the rules until the next regular meeting.

Based against the motion unanimously adopted commending the devotion of the members of the McKinley club who are members of the present Nebraska legislature for their fidelity to their pledges as republicans and for their efficient services in that body, with special reference to N. Y. Dodge, Jr., Henry T. Clarke, Jr., and Frank Best, active members of the McKinley club.

**CHIEF SAYS REVOKE LICENSE**

Danahue Advocates This Means of Enforcing Sunday Closing Law.

**SEES LITTLE EFFICACY IN MERE FINES**

Two Saloon Men Pay Hundred and Twenty-Five Dollars for Privilege of Selling Few Drinks Sunday.

Chief Danahue advocates revoking the licenses of saloon men who persist in violating the Sunday closing law.

A total sum of \$125 was paid by two Omaha saloon keepers to police court Monday morning for the privilege of raising the city's lid for a few hours on the Sabbath morning. It was an expensive luxury, but the evidence of lawbreaking against the men was strong and Police Judge Crawford was made.

Michael Brunak, proprietor of the place at 1214 South Thirteenth street, had the original charge against him changed to that of disposing of liquor on Sunday and in the face of the array of cold arguments against him he confessed to the judge he was guilty. He was fined \$100 and costs. John Achatz, who was charged with keeping a disorderly house at 61 North Sixteenth street, where his saloon is located, and who tried to make his escape when the police arrived, sprinkling several blocks before captured by a policeman, pleaded guilty to his share of wrongdoing and was required to pay \$25 and costs.

When he heard of the fines imposed Chief of Police Danahue expressed great satisfaction, but thought the matter should be carried still further and the men's licenses revoked.

"These saloon keepers ought to realize they should positively not sell liquor on Sunday, and I think the proper way to impress this fact upon them so there will be no more violations is to take their licenses away from them. That ought to make them take notice and obey the law in the future," said the chief.

**Important Change in Clothing Department of Bennett's.**

The five-year lease entered into between the Vollmer Clothing company for space in the big Bennett store terminated at midnight March 31, inasmuch as it was Sunday the clothing store contended to have the store delivered to Bennett's and many men attacked the stock shortly after dawn and by 3 in the afternoon everything had been moved out belonging to the former clothing department.

As fast as goods went out the Bennett company moved its huge new spring supplies from the fourth floor stock rooms, installed an entirely new set of handsome heavy fixtures and show cases of latest design, all made by the firm's own carpenters and finished by the firm's own finishers. Bennett's own workmen, the proprietors state that they are determined to possess right from the start the reputation of first-class clothing. The installation of the new department has caused many alterations on the main floor. Buoy counters are arranged on all sides, the west wall has even been attacked, a new balcony has been erected on the north side, west, for a new soda fountain.

**PRICE OF HORSES TOO GOOD**

So Attractive Gordon Man Feels They Have Been Selling Off Too Many.

"The high prices we have been getting for our horses have proved so attractive I'm afraid we have been selling too close and will be short," said Sam Hill of Gordon, as he sat at the Merchants hotel Monday noon. "The prices of western Nebraska are improving every year, due to the importation of better stallions, and lots of horses have been sold during the last year."

"It looked for a time that last winter was going to be severe on stock, but after the first hard weather the conditions changed and all stock went through the winter with scarcely a loss. The coal scare the Omaha papers were reporting during the cold weather was not warranted by facts, for there was never a time we could not get plenty of coal to keep warm. Sometimes we were pretty close to the cushion, but we pulled through all right."

Omaha and Country Institutions Show Forth Great Wealth of the State.

"The people of Omaha have a right to feel proud of their bank deposits," said P. Nelson, a prominent banker of the northwestern part of the state who lives at Niobrara. "The Omaha banks are but reflecting the prosperity of the entire state. Our bank deposits are larger than they ever were, and the prospects were never brighter than at present for another most prosperous season. The small crops are all in the ground and work has begun for the corn. The ground is thoroughly soaked from the heavy snows we have had during the winter and never was in better condition to receive the seeds and to promise an abundant yield."

**SPANISH VETERANS ORGANIZE**

Omaha Expects to Have a Camp with a Large Membership in the Near Future.

The preliminary steps were taken Monday evening at a meeting of thirty war veterans held at the Company L armory for the organization of the Omaha camp of United Spanish War Veterans. There was much enthusiasm over the movement shown by those present, arguing well for a local branch of the society. William E. Baehr, now captain of the First regiment, Nebraska National guard, was chosen chairman of the meeting and Joseph Van Wye secretary.

Temporary officers were elected, as follows: Commander, Captain Vickers; senior vice commander, Major Baehr; junior vice commander, Lieutenant Nygard; chaplain, Dr. Fritz; adjutant, Joseph Van Wye; quartermaster, J. Wert Thompson; officer of the day, O. Moody; officer of the guard, Hervy W. Majors; trustees, J. C. Williams, Neis A. Lundgren and E. W. Crook.

Application for a charter will be forwarded to the home office of the organization at Cleveland.

The United Spanish War Veterans is an amalgamation of the four societies called the Spanish War Veterans, Spanish-American War Veterans, Society of the Service Men of the Spanish War and the Society of Hispano-American War Veterans. The joint organization was accomplished in 1904, and annual reunions have been held at St. Louis and Indianapolis. All persons who served in the army, navy or marine corps in the Spanish-American war, Chinese expedition or Philippine insurrection prior to July 4, 1902, are eligible to membership in the organization.

The thirty men present at the initial meeting entered their names on the roster, and among them was one of a Peking veteran. It was stated at the meeting there are 600 men in this territory eligible to join and from whom the membership will be obtained. It is urged by those interested that all in sympathy with the organization attend the next meeting, with their discharge papers, or communicate with the adjutant. The next meeting will be held as soon as possible after receipt of the charter and probably will be within two weeks, notice to be given by the adjutant. A strenuous effort will be made to complete the organization of the local camp with a big membership; in time to participate in the Memorial day exercises and make a good showing then. The officers elected Monday evening will hold office until the
