MONEY TO ADVERTISE OMAHA

Twenty-Five Thousand Dollars Will Be Spent by Commercial Club.

PLANS LAID FOR THE BIG CAMPAIGN

Illustrated Booklets, Setting Forth the Beauty and Resources of the City Will Be Sent Free.

Plans involving the expenditure of \$25,000 for advertising Omaha were adopted by the executive committee of the Commercial Club at its meeting Tuesday afternoon. The members of the advertising committee of the club appeared before the executive committee with the request for endorsement of the proposition to raise the large fund and the plan was enthusiastically adopted.

One of the first moves in the advertising campaign will be the preparation and general distribution of 35,000 booklets, containing many views of Omaha, as well as commercial statistics. In anticipation of the new advertising scheme a photograph album already has taken many views and the book will be prepared immediately. It is planned to send the booklets broadcast, through all sections of the country, where they would redound to the ultimate commercial benefit of Omaha.

HOPE IN WORK OF ARMY

Missouri Congressman Says Skips White Pass Through Canal in Eight Years.

KANSAS CITY, April 2.—Representative Edgar P. Ellis of Kansas City, just returned from his trip with other members of congress to the Isthmus of Panama, said in an interview last night: "In eight years ships will be going through the Panama canal. It will cost \$50,000,000, but we will build it. The army has got hold of it and can do it. I always was convinced that it could not be built by contract."

HAYDEN BROS. Two ways to hunt for furnished rooms

One intelligent way is to look through the Furnished Room column on the want-ad page and mark those which interest you; then go look. Most of The Bee want-ads are "three lines" and say enough so that you can tell what is offered.

The other way is to "bring the room to you" with a want-ad of your own telling what you want. This is a particularly good way if you want a room in a private family. Under the heading Wanted to Rent, the cost is
