### THAW TRIAL TO PROCEED

Jerome Will Not Ask for Writ of Prohibition from Appellate Court.

DELMAC BEGINS HIS ADDRESS MONDAY

It is Probable that He Will Speak for Two Days—Prosecution Will Require Few Hours.

NEW YORK, April 5.—The trial of Harry K. Thaw will proceed on Monday morning, when Delphin M. Delmas, leading counsel for the defense, will begin his summing up address to the jury. District Attorney Jerome decided late today not to apply to the appellate division of the supreme court for a writ of prohibition or mandamus to halt the trial. He reached this decision, it was said, after a consultation with eminent counsel. Mr. Jerome may argue briefly on Monday morning against the continuation of the report of the lunacy commission which declared Thaw to be sane, but he is aware that Justice Fitzgerald's disposition is to confirm the report, which was unanimous. The district attorney has many witnesses still under subpoena, but it is said he has decided not to call them and will press the trial forward to an early verdict, or what is regarded more likely, a disagreement of the jury.

ask the jury to convict Thaw of murder in the first degree.

No reference will be made or allowed on either side as to the appointment of the lunacy commission or the nature of its findings. Mr. Jerome will claim Thaw was sane enough to know the nature and quality of his act when he killed Stanford White and to know that the act was wrong. This is the definition, in this state, of legal sanity. Regardless of his expressed personal conviction in the matter, Mr. Jerome told the court yesterday that it would be his duty to press the prosecution to the utmost.

### NEBRASKA TEACHERS MEET

(Continued from Third Page.)  
and it consequently flooded his poultry houses and drowned 70 hens and did other damage.  
PLATEMOUTH—Rev. J. B. Houlgate conducted the funeral services for the 6-year-old son of Mr. and Mrs. William Howard, whose death was caused by the accidental discharge of a rifle in the hands of his father Easter Sunday.  
NORTH PLATTE—Last evening at the Lutheran church occurred the wedding of Miss Adda Leonine Kocken to Mr. James H. Turpio. Rev. John F. Seibert officiating. Mrs. and Mrs. Turpio left on the midland train for their home in Columbus.  
NEBRASKA CITY—It has developed that several women who were not entitled to vote at the last election exercised that privilege. The judges ruled that only women who were taxpayers in their own name or had children attending school were entitled to vote, but this did not prevent the women from voting.  
OSCEOLA—Residents of Osceola who have been in the habit of partaking of the cup that cheers will have to be satisfied to get it in the good old way, as they have for the last several years, for Osceola went "dry" this year stronger than ever, the majority for "dry" being 11,900 more than last year, and temperance people are singing the doxology.  
FREMONT—Clarence Walte pleaded guilty to the charge of breaking a window of Marshall Bros. jewelry store, in justice court yesterday afternoon and was bound over to the district court. He is only 19 years old and has been arrested twice before for stealing bicycles. His parents, who live here, are respectable people, but are unable to control him.  
NEBRASKA CITY—The Burlington proposes to get above high water with its track between this city and Peru if possible. The company has a contract to build a new bridge over the river, and when he had the work completed the engineers came along and told him to raise it a few inches. It will require several weeks to make the change.  
SCOTT'S BLUFF—That Scott's Bluff is a strictly temperance town was demonstrated at the election this week. The citizens ticket, composed of D. H. Cole, Beach Coleman and T. C. Bottom, was elected by a handsome majority. The people's ticket was C. A. Morrill, D. D. Johnson and A. J. Shumway. The vote on the license question stood 14 for license and 98 against license.  
ALBA—At a regular meeting of the Ancient Order of United Workmen held at this place sixteen new members were initiated. About 100 visitors were in attendance, including Grand Secretary E. H. Barton, Grand Master Workman O. J. Van
