### New Corsets

There is no reason why a good corset should not feel just as comfortable after a few months wear as on the first day. If the bones slip up in the casing, the loose cloth rumples into ridges, and is exceedingly uncomfortable, don't blame the corset—it was probably a good one but it did not fit you. The selection of a proper model is necessary to the perfect fit. That's the reason we carry complete lines of all the best makes; the reason we engage salesladies capable of selecting the most suitable style and properly adjusting them.

The B. & G. Tapering Waist Corsets in the new spring models are even more popular than in past seasons—both excellent in quality is too well known to need mention—we have styles to suit all figures, at, from **\$1.00 to \$3.00**

It's a pleasure to show you our complete lines. If you have a preference for Kable, Warner, Rust, Frost, Thomson, Glove Fitting, W. B. Uniform or other standard makes we have them in all best models.

### GRAHAM IS THE WONDER OF THE DAY

Creighton University Team Makes Great Showing Against the New Men of Chicago American Leaguers.

The second division of the world's champions was defeated by Pa's Colts at Vinton Street park Friday afternoon in a seven-inning contest by the score of 1 to 6. They were able, however, by good luck to win from the Creighton university team by the score of 3 to 1. Comiskey had divided his squad into two parts and had the first team playing at Louisville, while he sent the recruits and substitutes in charge of his son Louis, for a visit to several Western League towns. Sioux City, Lincoln and then Omaha took them into camp.

The second game of the double-header yesterday afternoon was arranged on short notice by Father Whorney of Creighton university, who was formerly a pitcher for the Chicago team. He took the matter up direct with Comiskey, who said all right. Two games with the thermometer ranging around zero was quite a task, but nevertheless some 300 fans turned out to welcome the world's champions even though there were no champions along.

It was really pitiful to see the world's champions striving for one little run, but St. Louis Thompson was pitiless and acted as though he had some sort of a grudge against the world-beaters, for he did not let one of them reach first base the four innings he pitched. When McNesley went to work in the fifth inning he was almost as bad, but Captain Franck dropped an easy catch in the fifth which let one man reach first, and in the sixth inning Cheney hit a scratch by the pitcher which was followed

by Autry dropping an easy fly, but that was all there was to it. They could not score.

Graham is the wonder. The Omaha bunch, on the other hand, played like a flock of whirlwinds and kept the crowd keyed up in expectancy to see what the next brilliant coup would be. Graham, the Grand Island recruit, was the hit of the entire game. He led like a Bobby Wallace and hit like a stone and ran bases like Chance himself. He made hard pickups and ran back on high flys. He sprinted from first to third on a sacrifice and was a regular all-around terror.

The only score of the game was made by Graham in the second inning. Dolan had been hit with a pitched ball and Belden struck out, when Graham came to bat and got a poke in the slats as well. Townsend was next up and he hit the ball to Quillin on third, who touched third, putting Joe Dolan out, and then tried to throw over the bleachers in a try at first for Townsend. Before the ball was recovered Graham had crossed the plate. Graham batted 100, made the only run in the game, had three putouts and four assists, a fairly good record for his first appearance in fast company.

**Collegians Get Battled.**  
The opening game of the double-header between the White Sox and Creighton university and had the collegians not suffered a little stage fright in the opening inning and had a little hard luck in the same Louis Comiskey might have had the best of two games to telegraph to his illustrious pa.

Langran walked the first Sox, who was Quillin, and O'Neill hit for a single. Welday walked and Quillin scored on a wild pitch. Towne hit a grounder to Mullen, who threw to first instead of trying for O'Neill at the home plate and two runs were made.

Again in the second Pime led off with a single, stole second and came home when Cheney hit a grounder to Steen. Creighton's run was made in the second inning. Franck batted off with a double, went to third on Towne's wild throw and came home on Fitzgerald's infield out.

The St. Paul team will be here for games this afternoon and Sunday.

**St. Paul Play Two Games.**  
The St. Paul American association team will be at Vinton street park Saturday and Sunday afternoon for two games with the Southerners. For several years this team has been one of the best in that league and is touted as having a good crowd like year after year. Dick Padden, the old St. Louis captain and second baseman, is still the mainstay again this year. Padden was for years recognized as the best player in the base ball business. While he could not hit

among the leaders and was not much of a fielder, still his headwork insured him a place on the Browns until injuries put him out of the business. Sugden is another player who has been one of the heroes of the fans for the backstop position. Both games will be called at 3:30.
