Normal Board Surprised.

An incident of the waiting and worrying over the governor's action on the appropriation of the Kearney Normal school was the meeting of the State Normal board at the office of the state superintendent. The board convened yesterday at moon to discuss cutting down their plans for a \$100,000 building to an \$55,000 building, as that was the way the bill read when it passed the legislature. Suddenly the board remembered that the governor had taken no action, so proceedings were stopped. When news was given out this afternoon that the governor had finally vetoed the appropriation the board quit business. stakes and it is hoped to have the grading the way the bill read when it passed the

passed in 1891 (session laws 1901, chapter xxi, page 321-335) under the title thereof the enactment was restricted to cities having a population of more than 50,000. In 1902 the legislature attempted to amend section 1 so as to make this act apply to cities having a population of more than 60,000, but the title of the amendatory act referred alone to section 1 of the original and did not enlarge the space of the original title so as to apply to cities having less than 80,000 inhabitants. The amendment of 1903, making the act applicable to cities having more than 40,000 inhabitants, was not within the title of the original act which referred alone to cities having more than 50,000 inhabitants. The amendment of 1903, therefore, was not within the title of the original act and is unconstitutional. This void provision is a part of the act as it appears in chapter xiva, article 3, compiled statutes of 1803. This S. F. 256 conflicts with the constitution and cannot be approved. Besides, the repealing the statutes of S. W. is asserted on the constitution and cannot be approved. 200 conflicts with the constitution and can-not be approved. Besides, the repealing clause in S. F. 260 is a general one, pur-porting to repeal all conflicting provisions in existing statutes. This form of repealing clause in an amendatory act does not meet the requirements of that part of the constitution which declares that the section or sections so amended must in express terms he repealed.

Words of Praise From Those Cured

The following are a few of the thousands of letters received from men and women, old and young, from all walks in life and from every part of the United States who have been restored to health, extolling DUFFY'S PURE MALT WHISKEY as a Godsend to Suffering humanity and the true elixir of life.

Stomach Trouble.

"For years I was a sufferer from indigestion and stomach trouble. I have used all kinds of medicine and pills, without any benefit. I was advised by one of my neighbors to try a bottle of Puffy's Pure Mait Whiskey, as he had tried it with good results. I went to the drug store and bought a bottle, and before that bottle was used I was relieved and was much better than before I commenced to use the Malt Whiskey. I kept on using it steadily every day, and before I had used up five bottles I was entirely well, and think that Duffey's Pure Mait Whiskey is one of the best tonics of the Twentieth century. I will keep it in my house always as a family medicine and tonic. I take a small dose every day after each meal. It helps the digestion and promotes a good appetite. I am now 73 years of age and feel well and strong, thanks to Duffy's Pure Mait Whiskey."

as a medicine for something like six years.

'Several years ago I had a slight shock. My doctor prescribed Duffy's shock. My doctor prescribed Duffy's Pure Mait Whiskey and told me to take it regularly, which I have done, and I can truthfully say that it certainly has been a great benefit to me.

'I am now Si years of age and have used stimulants all my life, so ought to know what a good article is. I have been a resident of Saco Valley for 57 years, have filled all the offices in the gift of my townsmen, was a stage driver through the White Mountains before the railroads were built, have attended nearly every term of court in our county for the past forty years, and have had considerable to do with politics; so you can understand I have had quite a strenuous life, yet I feel as strong and vigorous as I did twenty years ago.' MARK W. PIERCE, Glenn, N. H., Nov. 22, 1906.

Appetizer.

"You may fill this out to please yourselves. I have used your Mait Whiskey

done me good. Inclosed please find our

Hale and Hearty at 101.

"I wish to tell you what Duffy's Mait Whiskey has done for me. Fourteen years ago the doctors gave me up to die. We had some Duffy's Mait Whiskey in the house which I commenced to use right off, as a last resort, and I grew better and finally became well taking it according to directions. I have used it for fifty years and have had it in my family for general use for that length of time. I sat heartily and sleep well. I was born in Vermont, east of the Green Mountains, in 1806, and I would now be under the sod if it were not for Duffy's Pure Mait Whiskey." MRS. ANNA B. DEPEW, Wharton, O., Aug. 17, 1906.

Heart and Nerves.

I have taken Duffy's Pure Malt Thave taken Duffy's Pure Malt Whiskey for the past two years. For five years previous to that time I was afflicted with heart trouble and nervous prostration. I tried doctors and many nerve remedies, but received little henefit therefrom After taking Duffy's Pure Malt Whiskey for a short time all symptoms of heart trouble disappeared, and I began to get stronger. I lack a few months of being 81 years of age. I am one of the few surviving veterans of the Mexican war, and, aside from a disability contracted in the army. I can say that I feel spry and nimble on my feet, and an vigorous indeed, all of which is due to the taking of Duffy's Pure Malt Whiskey. It makes the old my feet, and am vigorous indeed, all of which is due to the taking of Duffy's Pure Malt Whiskey. It makes the old young. Although a strong temperance man for many years, I heartily recom-mend Duffy's Pure Malt Whiskey to all afflicted whether young or old ELIAS HOLLINGER, Beaverton, Mich., Jan.

Restful Sleep.

"I have been using Duffy's Pure Malt Whiskey for about three years and find it one of the best tonics and stimulants that I ever heard of. I am 65 years of age and Duffy's Malt Whiskey is the medicine that has done me much good. Since using it my appetite is good. I feel well and sleep well. Before using Duffy's Malt Whiskey my weight was 140, now it is 210 pounds, and I feel as fine as I did when I was fifteen years of age. If all old people would take three doses of Duffy's Malt Whiekey a day they would soon feel young and vigorous." Yours very truly, M. M. CASWELL, 215 Crane St., Valdosta, Ga. "I have been using Duffy's Pure Malt

Gonsumption.

'I had a severe cough for some time and became extremely alarmed because my physician lold me I had bronchitis, and another said I had consumption. As I received little benefit from the remedies prescribed for me I begin to think what the doctors had said was only too true. I finally decided to take Duffy's Pure Mait Whiskey, with little hope of result that follows. Slowly the coughing spells lessened in frequency, and the quantity thrown up also became less, and my strength, which had saily failed, is now as good as even. I feel that I am saved, and that I owe my good fecture to the timely use of Duffy's Pure Mait Whiskey." ANDREW MAYER, 50 Grove St., Brooklyn, N. Y., Oct. 30, 1906.

Tonic for the Old.

"I was ninety years of age Oct. 24, 1996, and I can truthfully say that Duffy's Fore Mait Whiskey as a tonic Duffy's Fure Mait Whiskey as a tonic and stimulant for the aged is unexcelled. It has done me more good than any other medicine, and I cannot say too much in praise of this great medicine and what it has done for me.

"I can heartily recommend it to all old people who wish to retain their faculties and remain strong and vigorous.

"Ne one except those who have tried it can comprehend what Duffy's Pure Malt Whiskey will do to build up and strengthen the system.

"As long as the good Lord will let me live I will always sing the praise of your great medicinal whiskey." MRS. MERCY WOODWORTH, Bowdoinham,

Tonic Stimulant.

"I have used your whiskey as a tonic-stimulant for several years and have been greatly benefitted by it. I have always recommended it to others and shall continue to do so. I believe that it is the best tonic for old age on the market." JOSEPH FIELD, Bergen, N., Y., Aug. II, 1996.

"I have received your letter, and also your medical booklet. Thanks for the same. I was taking your Malt Whiskey for the Grip when I wrote to you for your booklet. I have used one bottle of your malt whiskey, and it has cured me. I am 71 years old; find Duffy's Malt Whiskey is just what I need for one of my age. I read your advertisement in the Kansas City Stir, which was what induced me to buy your whiskey." D. T. BRINEGAR, Salem, Neb., June 30, 1906.
