MODERN FEATS OF CAMERAS
Mighty Stretch of Progress from Daguerre's to the Art of Today.
RAPID DEVELOPMENT OF PHOTOGRAPHY
Utility of the Camera for Business, Recreation and Pleasure—Fame Achieved by Devotees of the Art.

Reminders of Other Days.
When Daguerre and the men of his day took pictures it was a momentous occasion, one to be entered into with great solemnity.

Scott Archer of England found that by using a film of collodion the shapes could be fixed on glass and pictures on paper printed from this. Thus the negative came into use.

RED SHIRT ON THE RAILWAY
Action Taken to Exclude the Danger Signal from the Right-of-Ways.
The general superintendent of the Missouri, Kansas & Texas railway at Sedalia, Mo., has issued a bulletin requesting section men not to wear red shirts while at work.

cautions of a similar character which might be taken for the prevention of accidents. There are emotional people here, as we all know, who may become so wrought up over the excise made by the "Katy" engineer, and the request sent out by the legislature to pass a law prohibiting the wearing of the new style vegetable basket hat within 100 yards of a railway crossing.
