

Y. M. C. A. HOME BIG SURPRISE

New Building is Elegant One in Finish and Fixtures.

WILL OPEN FORMALLY LAST WEEK IN MAY

Mrs. S. T. Lowe of Cleveland, Ohio, Will Have Charge of the Dormitories and Cafe.

The new building of the Young Men's Christian association will be formally opened and dedicated the last week in May.

It is going to be a big surprise to the people of Omaha. The beauty of the building approaches magnificence and its utility and arrangement is almost ideal.

As the visitor goes into the main entrance under the stately sculptured doorway he passes through a vestibule finished in perfect imitation of Paganos marble and then finds himself in a lobby of magnificent proportions.

The assembly room with the adjoining lecture hall, separated by rolling partition, is on the second floor. This floor also contains parlors, committee rooms and the spacious boys' rooms, which occupy nearly the entire east half of the floor.

The third floor is the headquarters of the dining department. There is the spacious kitchen, the main dining room, cafe and several private dining rooms. The tables and chairs of the main room will be of early English style.

The four private dining rooms are separated only by rolling partitions and can be thrown into one so as to accommodate eighty persons.

The upper two floors contain the dormitories and there are 102 rooms there. Some of the rooms are equipped with private baths. Some of them are in suites and double suites with bath between.

The rooms are finished in plain sawed oak. The furniture is of oak and red mahogany. The magnificence of these apartments cannot be appreciated without being seen.

The gymnasium on first floor, with auxiliary gymnasium, open off of the first floor. These have been in operation for several weeks.

Down in the basement is the general bath room, men's lockers and swimming pool. This is equipped in the most up-to-date manner. There are many individual showers, private baths, general showers and other appurtenances which make up an elegant bath.

The new building on the whole is a marvel for spaciousness, convenience and practical arrangement. Everywhere there is an air of substantiality and comfort.

The cafe and dormitories will be in charge of Mrs. S. T. Lowe, who has just arrived from Cleveland, O. where she has had charge of one of the largest and best private hotels.

Visitors are not being admitted to the building now, as it is desired to have everything completed, cleaned and in operation before the building is thrown open to general inspection.
