COL ARTHUR L. HAMILTON. Gallant Porto Rican Soldier Gives Praise to Peruna

Col. Arthur L. Hamilton, of the Seventh Ohio Volunteers, writes from 259 Goodale St., Columbus, Ohio, as follows:

"Besides having the merits of Peruna fully demonstrated in my family, I have a number of friends who have taken it for catarrh and stomach trouble and all unite in praising it. As a remedy for catarrh I can fully recommend it."

In a later letter to Dr. Hartman, Col. Hamilton writes: "My command used your Peruna during our strvice in the Spanish-American war, and I will say this, that if the War Department records are consulted, it will be found that the casualities in my regiment were less than in any other regiment of the Army Corps while at Camps Alger, Meade and Bushnell. The total deaths in my regiment during the seven-months' service were seven out of a total number of

1,400. I, of course, cannot help but think that Peruna certainly was great benefit to my command." In a recent letter, Col. Hamilton says: "I have used Peruna myself and in my family for the last seven years. I have already written you about the good results I experienced

Rev. A. M. Smith, Hahira, Ga., writes. "For the past two or three years I have been troubled with nervousness, at times resulting in almost nervous prestration. Recently I have had very severe attacks and was induced by a friend to try Peruna. This I have done with more than satisfactory results and consider Peruna the best medicine on the market for what it is recommended.

"To all who suffer with nervousness in any form I would say, 'use Peruna,"
