VHEN MR. ANTHONY discovered St. Anthony Falls and interested people in their development, about 47 years ago, Minne-apolis had scarcely 500 inhabitants—now it has 300,000—and Minneapolis builded development, about 47 years ago, Minneapolis had scarcely 500 inhabitants—now
it has 300,000—and Minneapolis builded
herself up on her lumber and her waterpower. In 1505 Seathe was populated only
by an Adam and an Eve, and now has to
show, in 42 years, a population of 200,000.
What built up Seattle? Location and forest wealth. Kansas City in 1505, just 52
years ago, was populated by an old man
and his dog. Look at her today—the
proudest city in the land, with 120,000 people. Lots that sold for \$25 and a necktie
now sell for \$250,000 apiece and are cheap
at that. People who grew up with the
towns are today their state's proudest
citizens and the backbone of its wealth
and brains. Are you not bright enough
to want to be somebody in a few years, to
stay in this country and to leave a name
for honesty, thrift and foresight? The
new town of INTERNATIONAL FALLS,
MINNEBOTA, with its miles of lakes, its
30,000 horse-power now being harnessed. Its
\$,000,000 cords of pulp wood, possesses
wealth in greater abundance than either
Minneapolis, Seattle or Kansas City and
will be a larger city. Its location on the
international boundary gives it an absolute cinch on every other town in the
state. It is healthy, away up above the
river, has perfect drainage and in July
will be approached over two railways, the
Northern Pacific and the Duluth, Rainy
Lake & Winnipes. We now have 800 people. Good lots within two blocks of business center. Price, \$200; \$20 down, \$46
