LAND LOCATORS GET BUST

Professional Sharks Are Doing Big Business in North Platte Country.
FALSE LOCATIONS ARE BEING MADE
Several Hundred Thousand Acres of Land Withdrawn from Entry Are Embraced in the Tracts Exploited.

the United States marshal from North Platte that many professional locators are exacting liberal fees from prospective homesteaders and are taking them out to lands remote from the lands that are subject to entry and assuring them that these are the lands on which they are to file. The locators invariably point out a good piece of land to their victims which does not belong to the irrigation reserve at all, but is from half a dozen to twenty miles from the reserve. The United States authorities are asked to send some one up there to prevent further swindling of this character.

Information has been received at federal headquarters in Omaha that professional land locators are doing a lively business in North Platte and vicinity in making false locations on lands that are to be thrown open to settlement in the North Platte irrigation district on May 1. These lands, embracing several hundred thousands of acres, were withdrawn from entry at the time the establishment of the irrigation district and have only recently been restored for entry under the Kinkaid and general homestead laws.
It appears from information received by Mrs. Winslow's Soothing Syrup

\$1.00 for 25c

Looks fakey, don't it? Just the same—the **Davis' Remedy Company** of Buffalo, N. Y., gives you the right to guarantee their remedy called **W-A-K-O-O**, to cure Kidney and Bladder troubles. That's rather strong too, but you take no chances—our word is good. Their representative will call at your home this week to tell you all about it and he will leave a card worth 75c, free, for nothing. This card and 50c will get you a Dollar bottle of W-A-K-O-O—and you take it like the label reads, and if it fails—come get your money. This is even better than \$1.00 for 25c. You know we make good everything we advertise—and this is no exception. Look out for the man and the card. Call us on phone and we will deliver medicine and get card.
