SANDERS HAS A LUCKY DAY

With Fewer Hits and More Errors Omaha Wins from Pueblo.

LOOKED LIKE SLAUGHTER EARLY IN GAME

With Bride in Grandstand Watching Him, Little South Paw Steadies and Pulls Out of Threatened Tie.

War Sanders had to win his game Wednesday afternoon, for his new bride was sitting in the grandstand viewing her first game of the season and the first game she had ever seen War pitch. He had to win to keep peace in the family, for Mrs. Sanders is quite a fan herself and would have nothing else from the little Tennesseean. He won, all right, although Omaha made the fewest hits and the most errors and had three men left on bases to ten for Pueblo. He won by the score of 5 to 3, in spite of the fact that Selee's Indians hit him in every inning but the eighth.

Sanders put them over about the size of balloons and it looked on occasions as though he was to be slaughtered. For the first four innings the first man up not only made a safe hit, but hit the first ball that was pitched, but that did not fease the little southpaw, who kept his even gait and finally was returned a winner.

The first inning looked real disastrous for Omaha, for not only did Cookie make a safe hit in the first ball pitched, but Ryan did likewise, and the lanky First Baseman McGilvray sacrificed them each on for a base. It behooved War to settle down a little, and he did so, with the result that none crossed the pan in that inning. Melchoir hit to Sanders, who nailed Cook at the home plate, and then, when Melchoir tried to execute a double steal with Ryan, Gonding threw to Sanders, who relayed the ball on to second and caught Ryan.

Three-Bagger for Autrey.

Omaha did better in its half of the first. Belden was an easy out and Franck hit for a single. Autrey won the plaudits of the crowd by lambing a hot three-sacker down the first-base line. Welch hit in about the same place for a single, scoring Autrey, and then went to second on a passed ball. Dolan was given a life on McGilvray's error and Welch came home on a squeeze play which caught Dolan at second, making three runs.

A combination of two hits and two errors gave Pueblo three runs in the fourth inning, tying the score. McGilvray led off with a double and Franck threw wild to first on Melchoir's grounder, scoring Mac. Elwert hit for a single and scored Melchoir. Harms bunted and Austin threw the ball away in an attempt to catch him at first, letting Elwert score. That was all Pueblo made during the game.

The tie was broken in the sixth inning by Omaha making two runs by good, clean hitting. Autrey led off with a single and Welch followed suit, putting Autrey on third. Dolan flew out to Cook, Autrey scoring on the throw, and Welch went to third. Austin bunted safe, bringing Welch home. That ended the scoring, and Mrs. Sanders went home happy.

The same teams will play this afternoon. The score:

Notes of the Game.

Harry Welch made a magnificent running catch in the fifth inning.

Lack of team work caused two mixups in the game Wednesday. In one Autrey managed to hold the ball, but in the other Welch dropped it.

The errors Wednesday were caused by bad throwing arms, which Pa says is due to the extreme cold which has tied the muscles of the boys all up.

The first Indians up in the first four innings hit the first ball pitched for clean singles, except McGilvray, and he hit for a double.

Fitzgerald passed Welch on purpose in the third inning with two out and Autrey on first base. His judgment was good that time, for Joe only hit to third base.

Lincoln Easy Winner.

LINCOLN, May 1.—Lincoln won from Denver today by a score of 5 to 1. The locals deserved the victory, for they outhit and out-fielded the mountain men by a big majority, but had Olmsted been given good support the game would have been much closer. The weather was warm enough to allow Jones to use the spit ball to advantage and he had the visitors at his mercy most of the time. Captain Wheeler saved his team from a shutout by cracking out a double in the ninth and completing a circuit of the bases on two errors. Score:
