HOROSCOPE OF THE INDUSTRIAL SKIES.

Labor and capital in America appear to have agreed upon universal disarmament, even if the nations are still unable to frame a plan along that line that promises general adoption.

enveloped in the old disgrace and broken by the old shame, his story came out and started a wave of sympathy for him that has reached the White House in the form of a petition for his pardon, signed by 2,500 bankers, business men and representative citizens of Missouri, Kansas and Oklahoma.

That mysterious "midnight meeting," which Edgar Howard refers to and characterizes as "a piece of smart political work," is declared by the Lincoln Journal to be "an easy thing for any political strategist," all of which will have to be classified under the heading "Important, if true."

months greater depreciation than the losses of the civil war. Your first guess was right. Beck is now a pet attorney of certain Wall street combinations.

A Texas law provides that "no public officer shall hold passes unless he be an employee of a railroad." It remains to be seen how many state officials will be able to retain their passes under that provision.

IF YOU TOUCH your tongue to ALUM and look in the glass—you will see the effect—You can't help puckering—it makes you pucker to think of tasting it. By the use of so called cheap Baking Powders you take this puckering, injurious Alum right into your system—you injure digestion and ruin your stomach. AVOID ALUM Say plainly—ROYAL BAKING POWDER Royal is made from pure, refined Grape Cream of Tartar—Costs more than Alum but you have the profit of quality, the profit of good health.

WHEN OUT OF TOWN.

Subscribers leaving the city temporarily should have The Bee mailed to them. Address will be changed as often as requested.

CONGRESSMAN WALDO'S STORY.

Congressman Waldo's story that theivet holes in American battleships are plugged with soap won't wash.

IT IS OFFICIALLY ANNOUNCED THAT 5 PER CENT OF THE BRITISH BARONETS ARE BOGUS.

The other 95 per cent are broke.

SENATOR FORAKER'S SON, WHO IS A LAWYER, REFUSES TO TAKE ANY INTEREST IN POLITICS.

Just balks at inheriting the name of his father.

THE CIGAR FACTORIES AT HAVANA HAVE BEEN CLOSED DOWN ON ACCOUNT OF A STRIKE, BUT HAVANA IS NOT THE ONLY PLACE THAT MAKES HAVANA CIGARS.

If Des Moines can work up a Commercial club membership to 1,000 Omaha surely can recruit its Commercial club membership up to 1,400 or more.

DOWN IN LINCOLN THE DEMOCRATIC CANDIDATE FOR MAYOR IS PLEDGING FOR VOTES AS A NONPARTISAN.

That sounds very much like a municipal campaign in Omaha.

IT IS ESTIMATED THAT THE COUNTRY OWNS \$5,500,000 A YEAR OF BASE BALL.

And no one regrets the expenditure when the home team wins in the fifteenth inning.

AS A RESULT OF THIS SPIRIT OF MUTUAL CONCESSION HARMONY AND GOOD FEELING EXIST TO GREATER DEGREE BETWEEN EMPLOYERS AND EMPLOYED THROUGHOUT THE COUNTRY AND BOTH ARE STRENGTHENED TO MEET FUTURE EMERGENCIES IN THE SPIRIT OF MUTUAL INTEREST.

Continued peaceful relations between these too often conflicting interests will furnish a guarantee of uninterrupted wage-earning, a steady flow of dividends and profits, healthy commercial and industrial conditions and extension of the era of prosperity already at high water mark.

BILLBOARDS.

It is really pathetic to see with what tender solicitude our mayor and city council take up the question of billboards and street signs, that disfigure our thoroughfares and spread hideousness over the natural beauty of the city.

MEMBERS OF THE STATE BOARD OF ASSESSMENT.

Members of the State Board of Assessment figure on finishing up the work of fixing the tax values for railroad property in Nebraska in a comparatively short time by cutting off the hearings and re-hearings of the railroad tax agents.

OMAHA OUGHT TO GET IN WITH THE VANGUARD IN THIS MOVEMENT.

Instead of lagging behind the rear. Every time a billboard or street sign ordinance is proposed here, however, the pressure of interested parties quickly gets in its work. The people may, however, still live in hopes.

PARDON FOR A JEAN VALJEAN.

President Roosevelt has recommended a pardon, or at least a commutation of sentence, for William January, alias Charles Anderson of Missouri, whose trials and experiences with the law and its vengeance show him to be an up-to-date twentieth century Jean Valjean.

A TEXAS LAW PROVIDES THAT "NO PUBLIC OFFICER SHALL HOLD PASSES UNLESS HE BE AN EMPLOYEE OF A RAILROAD."

It remains to be seen how many state officials will be able to retain their passes under that provision.

IN CHINA AN AMANUENSIS WHO BETRAYS HIS EMPLOYER'S SECRETS GETS HIS HEAD CHOPPED OFF.

In this country he gets his name in the papers and is arrested by Mr. Harriman.

NO LEMONS IN SIGHT.

Those who were expecting Mr. Roosevelt to hand out a lot of lemons at the opening of the Jamestown exposition were sadly disappointed. The president never passed out a finer lot of roses in his life.

TRIBUTE TO A BRAVE SOLDIER.

General Vara del Rey, who defended El Cuzco against the American attack in 1882, is to have a monument erected by Spaniards, with the consent of Governor Mason. He was a splendid soldier and the tribute to his memory will be welcomed by his former enemies as well as by his friends.

DOING BUSINESS IN THE OPEN.

Chairman Ingalls of the board of directors of the Big Four system plainly told railroad officials gathered at a banquet in Pittsburgh that the only way in which the railroad interests could win back popular confidence and allay hostile sentiment by obeying the laws and doing business in the open. This is a vast change brought about by the power of public opinion since the days when one famous railroad capitalist once contemptuously insisted to the public to a fate not to be mentioned in polite society.

EASTERN LINES REFUSE TO FOLLOW WESTERN EXAMPLES.

Railroads in western states, from Michigan across to Nebraska, seven in all, have accepted without resistance 2 cents a mile as the passenger rate. These roads are not going into the courts. They are not asserting charter or other rights, as the case may be. They stand ready to obey the law and let the public find out by experience if the law is wrong.

REAL HOME RULE.

He has killed bills raising salaries of stenographers and assistant secretaries of the Brooklyn under-sheriff, increasing the pay of cooks and laundresses in local offices, regulating the management of a county jail and so on.

PERSONAL NOTES.

THE JAPANESE PREMIER, PRINCE KANG, TRIED TO CONVINCE GENERAL GRANT THAT HE WAS IN JAPAN IN ENGLISH BY ASSURING HIM THAT HE WAS BORN IN COMMAND.

His words were, however, "Sire, brave general, you were made to order."

ROUND ABOUT NEW YORK.

Ripples on the Current of Life in the Metropolis.

After having collected at least \$20,000, and perhaps \$50,000, from frugal Hungarians in New York City, Cleveland and Chicago on the strength of glowing advertisements claiming valuable land grants, railroad concessions and subsidies from the Hungarian government, the First Hungarian Oil and Mining company, headquarters in New York, has been repudiated by the authorities at Budapest.

GRATEFUL APPRECIATION.

Judging by President Roosevelt's character and all he has ever said and done since he has been president, the unanimous request of the people that he be a candidate for a third term will not alter his purpose to retire, partly because he has other reasons than the third-term tradition.

THE WONDERS OF CONEY ISLAND HAVE BEEN TOUCHED, AND NEW WONDERS EVEN HAVE BEEN ADDED.

The big feature of the revived Luna Park is to be "Night and Morning; or, A Journey Through Heaven and Hell." It is said to have cost \$50,000 and to be full of surprises.

THE ESTABLISHMENT OF A DAY AND NIGHT BANK SOME MONTHS AGO SEEMS TO HAVE PUT IT INTO THE MINDS OF OTHER ORGANIZATIONS THAT THERE ARE A GREAT MANY PEOPLE IN TOWN WHO ARE LIABLE TO NEED MONEY BEFORE 9 A. M. AND AFTER 3 P. M.

One of the oldest downtown banks has accordingly made an announcement that its doors hereafter will be open from 9 a. m. until 5 p. m. and on Saturday from 9 to 2. In speaking of the day and night business the bank officials say:

PROBABLY IT WAS BASHFULNESS MORE THAN FACT THAT KEPT A YOUNG MAN SILENT ON A BROADWAY CAR WHILE A GIRL TOOK ONE OF HIS SHOESTINGS TO ONE OF HER.

It is said that the young man, who was probably the burning interest in the incident, was sitting in the passenger on the opposite seat, he tried to pull his foot away gently, hoping the bow was not secure; but the young woman, who was a long way from being of the pocket Venus type, thought he was touching her foot in an attempt to attract her attention, so she

CONDUCTOR—MADAM HOW OLD IS YOUR LITTLE GIRL?

"Little girl—Don't answer him, mamma. It's a boy's ride and impolite of him to ask a big lady's age before all these people." -Chicago Tribune.

ANNOUNCEMENT HAD BEEN MADE THAT THE "SOCIETY" WAS GOING ON THE STAGE.

"But are you sure you are fitted for it?" they asked. "Why not?" responded. "I've played for years that was in society." -Philadelphia Ledger.

ST. LOUIS GLOBE-DEMOCRAT.

The blackbird was in the sycamore tree. And brags that he's happy and fine and free; He seems to think the better's in—Huh! He better's in! Why, you of course, I'm a human, see? Why, I'm a man of goodness knows You're nothing but as one of those, You've got no hope, you've got no clo'es, When it snows, Rains, blows, You ain't so pecker, I suppose.

Can't say nothing to him, Sings and tests with them, Then him! See him! Off to the far horizon's That's the way he am, me! Showin' he's happy and free, Goss wherever he please, Must be Somewhat better off'n me! He never works and he's no rent, An' he has no money, must be spent, An' if he sins, he does repent, Nor keep a cent! There's a gen! He's always done as his own meant!
