OUR NEW FIXURES

In our New Store (the Old Kuhn Corner), at 15th and Douglas—are nearly installed—and we want you to see the most modern and the cleanest drug store in this part of the country.
Don't look much like that old back number which has been on that corner for 40 years.
Our prescription department was immediately placed in apple pie order in a room by itself (just like our Chicago street store) and put in charge of men who have had years of experience in prescription filling, and who do nothing else; do not have to be bothered by any thing—just attend strictly to their work.
In some drug stores—the clerks all fill prescriptions, and all wait on trade, and do you think such a place is a safe place to have your prescription filled? Think it over. Ask your physician as to our reliability. We call for, fill and return your prescription, promptly. Try this plan.
