OMAHA WINS OFF STIMMEL

Rourkes Show They Are No Longer Under the Resin Heodoo.

TAKE FIRST GAME WITH SIOUX 8 TO 3

While He and His Teammates Are Bumping the Long Boy, McNeeley Pitches Good Ball.

Archibald Resin Stimmel was easy picking for the Rourke family at Vinton street park Saturday afternoon and he was sent home a loser by the score of 8 to 3, those three being made in the last inning after Harry McNeeley decided he had worked hard enough and would let the boys from up the creek have a few just to encourage them. Until the eighth inning Little Mac did not let an Indian get beyond first base and then he eased up a little, but the Sioux could not do anything.

Shorty Stimmel was there as natural as life with his little pocketful of resin, but it availed naught, for McNeeley was working his great spit ball which he practiced on all winter and that was all there was to it. Bauer was the only man who could hit him at all until the eighth, and he got three. Bauer is the new left fielder of the Sioux, and judging from the showing he made Saturday he must be some peaches.

The real attraction, however, was the ump, Patrick Conahan, from the eastern league. His voice will be enough of an attraction to fill the grandstand and bleachers this afternoon and the stands will have to be enlarged for ladies' day. He is a fine looking little chap, about the size of Red Sheehan. But that voice! Caruso is not in the same class. His judgments on balls and strikes were good.

Fear of Stimmel Soon Dies.

After Sioux City had been put down and out in one, two, three order in the first inning the real fun began. The fans had fear for the Rourke family when they saw Captain Weed had decided to send the lengthy Stimmel to the front of the firing line, but the fear soon vanished, for Belden, Franck, Autrey and Welch all hit safe in succession. Autrey and Welch for three bases each, bringing in three runs. That seemed to take the tuck out of the Sioux boys, for they did not ginger up much until the eighth inning.

Omaha made two more runs in the third inning without a hit. Franck and Autrey walked and Welch sacrificed each a base. Franck scored on Dolan's out to Bauer and Autrey scored when Williams dropped an easy one which Sheehan had thrown him from Austin's bat.

Omaha cinched the game good and plenty in the eighth inning when Welch, Dolan, Austin, Graham and McNeeley hit safely, Austin and McNeeley's being doubles.

Sheehan walked in the last inning for Sioux City and Noblitt hit for a double. Bauer hit for three sacks, scored them both and came home himself on Granville's safe bunt.

The same teams will play this afternoon. The score:

Notes of the Game.

Welch's batting record for Saturday was 1.000.

Not a man on the Omaha team but got a hit off Mr. Stimmel. He kept diving for his resin as of yore.

Noblit would not be credited with a double in the summary had not Autrey for the moment misjudged his hot liner, which kept rising.

Austin stretched a single into a double, made the base by a close decision and then came from second home on Graham's single, getting another close decision. Such base running delights the crowd.

Two sensational plays were made during the afternoon. Weed made a remarkable one-hand catch far back of second and Buck Franck jumped high in the air, caught a high one from Gonding and caught Bauer at second.

Joe Dolan and McNeeley pulled off a fast play in the second inning. A hard one had gone at Joe and he tried to spear it, but only succeeded in knocking it into foul ground. Joe sprinted and got it back to Mac on the bag in time to catch the runner.

CHAMPS TAKE ONE FROM LINCOLN

Pitcher Cicotte Knocks Out Dexter and Umpire Brennan.

LINCOLN, Neb., May 4.—(Special Telegram.)—Des Moines took a game from Lincoln today by a score of 2 to 1, which had for its feature a bloody fourth inning. In that trying time both teams did their scoring and Dexter was knocked in the head and down and out by a pitched ball and then, as though that was not enough, Mr. Cicotte heaved one on top of Umpire Brennan's pate and sent him into the land of nod where it took two doctors to show him daylight. Umpire Gifford took Brennan's place and because he alternated balls and strikes the bleachers got mad at Cicotte for not discriminating in hitting people. A gang of molly-coddles surrounded Gifford after the game and made a lot of noise like a man about to be whipped, and a few cushions were thrown, but it all ended in hot air. It was cold enough to make everyone grouchy and for once the fans down here said the Ducklings ran bases like they had their wings broken, as for instance when Cicotte allowed himself to be caught at home on a throw from deep right field in the fifth and when Holmes tried to make third on his hit in the fourth when it was a cinch he was out when he left second.

In the bloody fourth Schipke got a base on balls and Dexter stopped one with his head. Sullivan passed a ball and Schipke and Sporer, who took Dexter's place, moved up a notch. Corkhill sent one over second and scored two. Dashwood sawed the air and McLaughlin with a single brought in the third score.

In Lincoln's half Fenlon got to first on an error by Gochnaur, who failed to connect with the ball. Davidson made first and Fenlon got to third on a fielder's choice.

Steen's fly, which was dropped by Corkhill, scored Fenlon.

The last four innings of the game the Iowa bunch went out in one, two, three order, and while Lincoln had men on bases frequently their joints seemed to be out of oil or froze up, for they could not run bases. The score:

RAIN STOPS THE GAME AT DENVER

Neither Side Had Scored When Umpire Calls It Off.

DENVER, May 4.—Denver opened its base ball season in the midst of a rainstorm. A thousand fans had gathered in the new park and the managers did not like to disappoint them. Rain was falling when the game was opened and fell steadily until Umpire Haskell called time after four and a half innings had been played. The game was played to the limit in order that rain checks need not be issued. There were many kicks on the manner of running things, but it was at last good-naturedly voted that a man who went out on a day like this was entitled to what was given him. The game had no features. Averages of the Omaha Team.

While the team batting averages for the Rourke family show an increase of 1 per cent for the four games played during the week, some of the heavy hitters have been falling off. It is a noticeable fact, however, that the boys who are playing every day are not outhit by any of the boys who are not regulars. The outfield still continues bad in its fielding and the fielding record for the team is just what it was last week.

CHICAGO WINS FROM DETROIT

White Sox Defeat Tigers in a Freak Contest.

DETROIT, May 4.—Chicago won a game on freak plays from Detroit today, 2 to 1. In the fourth inning, with Rossman at third and Schaefer at second and none out, Schmidt hit to Davis. A triple play resulted. Rossman being out on the line, Schmidt was out trying to make second and Schaefer out at the plate. Schaefer and Walsh collided in this play and the pitcher was so badly hurt that the club left him here. Chicago's two runs came on a hit by Davis that bounded into the bleachers, he and Robe, who had been passed, walking around the bases. Mullen held the Sox to three infield hits and this technical home run. Score:

Lincoln Comes Monday.

Ducky Holmes will bring his pennant chasers to Omaha Monday for a four-game series with the Rourke family, and on this series will depend the positions of the two teams at their start on the western trip. Holmes has strengthened his team by securing Steen for third base. The intense rivalry which existed last year between Omaha and Lincoln still exists and the fans are just as anxious to see the Bryanites as they are to see the Des Moines bunch. Monday will be ladies' day. The women have been cheated out of two of their days by the weather man, but he has promised to be good for a while. The lineup:
