National Convention Discusses Means of Preventing Spread of White Plague.

PLANS FOR INTERNATIONAL CONGRESS

Session Will Last Three Weeks and Experts from All Parts of the World Will Deliver Addresses.

Senator Borah, who began at once for the state, said that the defense was not seeking particularization of the indictment, but possession of the evidence by which the state hoped to prove its case.

Senator Borah further said that neither the statutes of Idaho nor the decision of the courts anywhere provided that the defendant in a case of this character would be entitled to the details of the evidence against him.

WILSON ON CROP CONDITIONS

dition in this section are the most backward in years. The fact that there is no frost, however, has had a helpful tendency. Outside of the Red river valley the situation is much improved and seeding is progressing rapidly.

STORM IN NORTHERN TEXAS

Three Persons Killed Near Paris and Communication With Several Points Cut Off.

FORT WORTH, Tex., May 6.—A storm of wind and rain which was general throughout a considerable area in northern Texas, and which at some places assumed the proportions of a tornado, according to meagre reports received here tonight, has resulted in the loss of at least three lives, the injury of many other persons, and great damage to property and crops.

At Depert, one of the largest villages in the Lamar district, twenty miles from Paris, the storm passed over, cutting a path about 100 yards wide, but because of the prostration of both telegraph and telephone wires, details are almost impossible to obtain.

FIVE THOUSAND MEN GO OUT

Longshoremen Employed by Trans-Atlantic Lines Quit—Laborers Ask for Higher Wages.

NEW YORK, May 6.—The strike of longshoremen took an extremely serious turn today when 4,000 to 5,000 men employed by five large trans-Atlantic lines joined the movement. Those who went out today were employed by the North German Lloyd, Scandinavian-American, Hamburg-American, Holland, American and Phoenix lines.

FOOT BALL RULES ARE UP AGAIN

Beale of Harvard Finds that the Ten-Yard Rule and the Forward Pass Were Failures.

Many persons interested in foot ball and all the fourteen members of the intercollegiate foot ball rules committee were of the opinion that the game was in a state of confusion and that they had done much to improve the game of foot ball.

So far the committee has announced one rule, namely, a prize of \$1,000 for the best evidence of efficient work done by any volunteer organization since the last congress on tuberculosis, the prize to be awarded at the time of the congress.

At tonight's session of the advisory council Dr. Herman H. Biggs, president of the association, read a paper on the notification and registration of tuberculosis.

NAME FOR NEW BATTLESHIP
