COX DECLARES FOR TAFT

Former Cincinnati Leader Says Ohio Should Support Secretary for President.

FORAKER TO BE RE-ELECTED SENATOR

This Compromise, He Thinks, Will Reflect Honor and Glory on Republicans of the Buckeye State.

CINCINNATI, May 8.—Party harmony—W. H. Taft for president, J. B. Foraker for United States senator and A. L. Harris for governor is the program advised by George B. Cox, former republican leader in Hamilton county, in a statement given the Associated Press today.

"As far as I am concerned," he said, "there is absolutely nothing to this talk. I have retired from active participation in politics. Of course I cannot absolutely refuse to advise with friends."

"In my judgment the time has come for the good of the republican party that something should be done. We are on the eve of next fall's election. Nothing should be done to endanger party success. If you will recall, two years ago we had factional differences in the party, and our ticket went down to defeat. This, I hope, will not occur again."

"We must not forget that we must carry the legislature next year to elect a United States senator and get much-needed legislation, and must elect a governor and other state officers. The way to do all this, I believe, is for all republicans to put their shoulders to the wheel in their several neighborhoods and see to it that none but true republicans represent them. Our watchword should be: 'Success of the republican party,' and to achieve this we should support W. H. Taft for president, J. B. Foraker for United States senator and A. L. Harris for governor."

Foraker is Willing.

When the attention of Senator Foraker was called to Mr. Cox's statement he said: "I have just read what Mr. Cox says. If I understand him correctly, he makes a specific recommendation addressed to the republicans of Ohio as to what their action shall be in the convention of next year. I am not sure it calls for any response from me, but inasmuch as you seem to think it does, I will repeat that I don't want any political honors at the hands of the republicans of Ohio, except with their hearty endorsement. Therefore, if what Mr. Cox suggests and recommends should meet with their approval, no one will support Secretary Taft more cordially than I shall."

Charles P. Taft, editor of the Cincinnati Times-Star and brother of Secretary Taft, when shown the Cox interview said:

"Mr. Cox takes a broad view of the matter. He sees the opportunity to elect another Ohio president and very wisely urges that we get together."

Brown is for Taft.

TOLEDO, O., May 8.—Walter F. Brown, chairman of the republican state central committee, said he would issue tomorrow a call for a meeting of the committee at Columbus, May 15. A large number of other prominent republicans will be invited. An effort will be made to secure an expression in regard to the party's choice for the presidential nomination and to restore party harmony.

"Now that a primary election has been definitely abandoned," said Mr. Brown, "I am very glad to put an end to any apparent mystery about my position. Since the state convention in 1906, over which Secretary Taft presided as chairman, I have believed him to be the logical choice of the republicans of Ohio for the presidency in 1908, and I heartily favor the movement to secure for him an unequivocal endorsement at this time."

"In my judgment the meeting of the party leaders and joint committees at Columbus next week will result in unanimous expression in favor of Secretary Taft."

NEBRASKA FROM DAY TO DAY

Quaint and Curious Features of Life in a Rapidly Growing State.

Kearney Sees the Limit—Fishing is mighty poor when a boy would rather be in school.—Kearney Democrat.

It is to be hoped that the temperature will not make up the present deficiency before the first of November.

The smile under the hat is an indication as to whether the spading is for a future garden or for fish worms.

The school base ball scores are of greater interest, if of less importance, than examination papers at this time.

Lateness of the season renders improbable an emergency rate on Nebraska fruit during the first year of the railway commission.

Kansas is disseminating a parasite for the green bug. If it will keep both bugs to itself Nebraska will be content to let well enough alone.

Since the Gage county "bridge graft" has inspired a Beatrice poet, the gully parties may throw themselves on the mercy of the court.

Heredity—Heredity is a great thing. Carl Reiche can buy rabbits in more ways than one, and do it successfully; his son can play a half dozen musical instruments at one time, and do it well.—Norfolk News.

Fish Story From Blair—A catfish, weighing over twenty-nine pounds, was caught by Captain Dood last week in a rather unique manner. He set four lines over night and in the morning he discovered that three of the hooks were firmly embedded in the tail and one hook in the fish's mouth. In trying to get away from the first hook, the fish, in his struggles thrashing about, ran afoul of the other three lines.—Blair Pilot.

Jealous Man—I always feel like throwing a man into the street when I hear him ordering his wife to not carry the baby around the house for fear of "spilling."

Snowwater at Huron.

HURON, S. D., May 8.—(Special).—The third snow storm during the present month prevailed here Tuesday morning. The temperature moderated and the snow melted rapidly. The ground is thoroughly saturated, and although farm work has been greatly delayed, and the season unusually backward, there is no fear but that the crops will "boom" when warm weather sets in. The greatest delay is in plowing for corn, the ground being too wet in most places for that work and the acreage planted to that crop may be smaller than last year.

ROOSEVELT WRITES LETTER President Commends Editorial in Labor World on Meyer and Haywood Case. PITTSBURG, Pa., May 8.—John D. Pringle, editor of the Labor World of Pittsburgh, tonight received the following letter from President Roosevelt in acknowledgment of an editorial recently published in his paper in connection with the Meyer-Haywood controversy.

THE WHITE HOUSE WASHINGTON, May 7, 1907.—My Dear Pringle: Nothing that has been spoken or written that has pleased me so much as your letter and editorial in my letter I wished to drive a wedge in between the honest, law-abiding man with whom I feel such hearty sympathy and those worst foes of the movement who preach anarchy and lawless violence, just as I wish to see a wedge driven between the capitalist who is an oppressor and swindler and the capitalist who strives to do right by all his fellow-men and a capitalist second. Above all I want to express my absolute agreement with your editorial, which follows.
