AWFUL BUMP FOR M'NEELEY

Locals Barely Save Shutout at Hands of Salt Creek Sluggers.

SCORE 10 TO 2, OMAHA LANDING IN NINTH

Mac Fails to Settle Down and is Replaced by Hall in Second, but Visitors Already Have Game Won.

McNeeley got his bumps from the Lincoln team at Vinton Street park Wednesday afternoon before the banner weekday crowd of the season and was replaced in the second inning after four runs had been scored on him. Hall was sent in to take his place with one out and the bases filled. This did not seem to bother Hall much, for but one man faced him after that and he made a hit, but Gonding threw the side out at second, leaving Omaha five runs to the bad. They could not overcome the lead and lost the game, 10 to 2, barely saving a shutout by some fast work in the last inning.

The shutout habit had seized the Rourke family or the grounds, but it looked as if the shutout was to be handed back to Omaha, for Zackert pitched magnificent ball and had the Rourkes on his hip, but in an unguardeded moment in the last inning the Omaha boys got busy and two runs resulted. The two Z's, Zackert and Zinran make quite a battery, and the Omaha hitters did not fatten their batting averages very much. When McNeeley was sent in to pitch the fans remembered the twenty-five-hit game at Lincoln and forgot the magnificent game he had pitched against Sioux City last Saturday. He started in bad and the Bryanites lambasted the ball all over the lot. Ketchem hit it out to Welch and was out, but Fox landed safe and Fenlon hit for a double, which, however, Autrey might have caught had he not misjudged it. Thomas hit to Franck, who juggled it long enough for Fenlon to score, and St. Louis Jack was caught trying to steal second. Omaha went out one-two-three for the first three innings, but nine men facing Zackert.

McNeeley Up in the Air.

In the second inning Holmes struck out and it looked like Mac might settle down, but no such luck was in store. Steen was passed and Zinran hit for a double, which scored Steen. Zackert surprised himself by hitting safe and bringing Zinran home. Ketchem followed with a safe clout and Fox was walked, and then Captain Franck decided to send Mac to the stable to rest up a bit. Hall was called out and Ketchem was caught leading too far from second. Fenlon hit safe and scored Zackert, but he was caught trying to purloin the second sack.

Two more runs were made by Lincoln in the third inning on two singles and the second error for Mr. Franck. In the seventh inning Thomas singled, went to third on Holmes' double and stole home. In the last inning Fox was hit by a pitched ball and was nailed at second when Fenlon tried to sacrifice. Fenlon stole second and Davidson walked. Thomas hit for a double, scoring Fenlon, but Davidson was nailed at the plate by a relay from Chick by Austin. Thomas stole home.

Two Runs for Omaha.

The only excitement Omaha furnished in the game was in the last inning. Dolan struck out and Austin hit for a single. Graham reached first on Fox's error and Gonding went out on an infield hit. Thomas threw the ball home to catch the fleet-footed Austin and everyone thought the game was over, but when the dust had cleared away it was discovered that Zinran had dropped the ball, and during the melee Graham stole home, making the second run.

Today will be the last game on the Omaha grounds for some time, as the Rourkes leave for the west to play Denver and Pueblo, stopping on the way to the mountains for an exhibition game at Grand Island with the Des Moines team.

Notes of the Game.

McNeeley surely had an off day and put them over the plate as big as balloons.

Graham was again made to doff his cap on two different occasions because of two circus catches he made.

Ketchem was caught napping at second and nailed by the Gonding-Franck combination.

Luck seemed to turn Wednesday and nothing went right. The other fellows were getting the hits and stealing the bases, just the reverse of other days.

Gifford officiated back of the plate, but he has not the voice of his partner nor does he umpire with his hands.

Sioux Easy for Champs.

SIOUX CITY, May 8.—Loose playing on the part of Sioux City and timely batting by Des Moines in the third inning gave the Champions a lead of four and made today's game a runaway comedy for the leaders. Stimmel was hit freely, while Gehring was invincible until the seventh inning, when he eased off a trifle. Score:

Fish Come with Sun.

The return of warm weather has had the effect of livening up the fish of Cut Off lake and several nice strings were caught Tuesday evening. The black bass were striking fairly well and a few crappies were pulled out. In some of the pockets in the rushes in the east end the water was fairly boiling with bass. Frank Brown, who is the Isaac Walton of the club house, has a hunch the crappie family will be at home to all comers Thursday, May 9, and he advises all fishermen who make a specialty of this gamey little fish to be on hand with their rods and reels. He says he has noticed for years that this is the day the crappies begin to strike like they meant business.

HIGH SCHOOL ATHLETIC MEET

Compete for Places in State Field Day Events.

The annual high school field meet to determine who shall compete in the state high school meet, which will be held at Lincoln, May 17, was pulled off at Dietz park Wednesday afternoon. The day was ideal for the event.

The distance runs were made mostly on grass, which explains the slowness in time made in these events. A feature of the meet was the class yells, which were used to spur on the contestants. About 300 people were present.

One hundred-yard dash: Howard first, Smith second, Lowe third. Time: 0:11.

AMERICAN GOLFERS ARE OUT

Both the Misses Curtis Defeated at New Castle, Ireland.

NEWCASTLE, Ireland, May 8.—So far as the United States is concerned, the women's golf championship tournament, which began here yesterday, is ended, as the two American players, Miss Margaret Curtis of Boston and Miss Harriet S. Curtis have been defeated.

In the third round Miss Harriet S. Curtis played both the best and the worst game of her life. During the first nine holes this morning she could do nothing right and turned four holes down to Miss Violet Hezlet. Coming to her game at the tenth hole, Miss Curtis soon put a different complexion on matters, and at the fifteen she had made the game all square. She won the sixteenth, halved the seventeenth, lost the eighteenth and won the nineteenth and the match.

This afternoon she was never on her game. A strong wind seemed seriously to interfere with her. She found nearly every bad place in the course, and was easily defeated by Miss M. Titterton by 9 up and 7 to play.

Miss Margaret Curtis in the morning round won an easy victory over Mrs. Crawford by 4 up and 3 to play. In the afternoon she met Miss May Hezlet, the British champion in 1899 and 1902 and made a good fight, but was defeated by 3 up and 2 to play. Neither of the Misses Curtis did themselves justice. "I cannot understand myself" said Miss Harriet S. Curtis, "I can play golf, but from this afternoon's exhibition you would think I was just beginning."

ROSEBEN IS THE FAVORITE

Strong Field Will Line Up for the Metropolitan Handicap Today.

NEW YORK, May 8.—The Metropolitan handicap will be run at the opening of Belmont park tomorrow and indications point to one of the strongest fields that has ever lined up for this $10,000 prize. While the number of horses that will go to the post is not as large as in previous years, the entrants are of a class that guarantees a great race. Track conditions will not be the most desirable, as recent heavy rains have left the course heavy and the weather tonight is unsettled.

Roseben, the big sprinter of the Johnson stable, has been made favorite in the overnight betting at 2 to 1, while Tanya, Dandelion, Sewell, Glorifier and Dishabille are looked upon as having almost equal chances next to the favorite. The fact that Jockey J. Martin will ride Roseben is expected to improve the chances of the favorite, as Martin knows his disposition thoroughly and has handled him in many of his big races.

Sewell, ridden by Brussell, will have a strong following, as will also Harry Payne Whitney's Tanya, with Koerner up. Last year's Brooklyn handicap winner, Tokalon, with a comparatively light impost, fancies the distance, one mile, and will be a strong contender. August Belmont's Blandy, with Mountain up, is considered an outsider in the betting, as the horse has not shown striking form in previous starts this spring.

There are fourteen horses carded to go to the post in the Metropolitan.

WITH THE BOWLERS.

Following are Wednesday night's scores bowled in the two-men tournament at the Association alleys. Gjerde and Molyneaux rolled the best single total of the tourney, with 462, and Gjerde the high single game, with 259. Sporting Brevities.

If that game between the bricklayers and the plumbers can be arranged it will surely be worth seeing.

Scarcely a day passes that Wallace, the crack high priced shortstop of the St. Louis Browns, does not make a couple of hits.

George Clark won his first game for the Waterloo team, of which he is manager and captain. Fifteen innings to a tie was the finish of another game in the Iowa league on the opening day.

Announcements of the Theaters.

The last one of the Thursday popular price matinees that have been made so popular with the women will be given at the Orpheum this afternoon, for on Saturday night the season will be brought to a close. Packed houses at every performance indicates vaudeville patrons are availing themselves of the farewell bill. The program as a whole is giving excellent satisfaction. A number of the features are making pronounced hits. The Finneys, champion swimmers, being the first to give an aquatic exhibition in a tank of water on a local stage, are proving an interesting novelty.

S.S.S. CURES CHRONIC ULCERS

Chronic Ulcers are the result of a deeply polluted and foul blood supply. The blood is filled with impurities and germs which are being constantly fed into the place through the circulation, until all the surrounding flesh becomes diseased and the sore an obstinate and permanent trouble. Every symptom of an old ulcer suggests pollution; the discharge, the red, angry looking flesh, the inflammation and discoloration of surrounding parts, all show that the ulcer is prevented from healing by the constant drainage through it of impurities from the blood. This impure condition of the blood may be hereditary, or it may be the remains of some constitutional disease, or the effects of a long spell of sickness, leaving disease germs in the system, or the absorption of the refuse of the body which has not been properly expelled through the natural channels. But whatever the cause, the blood is so weakened and polluted that it does not properly nourish and stimulate the place, and the sore cannot heal. Salves, plasters, lotions, etc., keep the sore or ulcer clean, relieve pain, and perhaps reduce inflammation, but can never permanently heal them because they do not reach the blood. S. S. S. goes down to the very fountain-head of the trouble, drives out all poisons and germs, builds up the weak, sluggish blood, gives energy and strength to the system, and by sending a fresh, healthy stream of blood to the diseased parts, allows the ulcer to heal naturally and permanently. Nothing reaches inherited taints like S. S. S. It cleanses the circulation of every trace of hereditary disease or impurity, and those who have nursed and treated an old sore for years will experience good results as soon as the system becomes influenced by S. S. S. Book on Sores and Ulcers and medical advice free to all who write.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

THINK of it! The skins of 7,800 Kids and Goats and 300 Calves (not to mention other leathers and materials) are used *every day* in making "Queen Quality" Shoes. The "Queen Quality" makers get the pick of these leathers from the world's tanneries because they use more fine skins than any other makers. So it follows that while our "Queen Quality" Shoes are priced at $3.00 and $3.50, they should not be classed with ordinary $3.00 & $3.50 Shoes. They are distinctly better.

NAILS, TACKS OR GLASS WON'T LET OUT THE AIR

(CASH WITH ORDER $4.55)

NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

Notice the thick rubber tread "A" and puncture strips "B" and "D," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is $8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only $4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price $4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. DO NOT THINK OF BUYING a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
