Misplays of Champions in the Early Innings Cost a Game.

DENVER, May 11.—Des Moines lost a rather poorly played game today. In the earlier innings Denver profited by the lowans' misplays, but in the last innings the visitors came near tying the score because of poor work at the middle of the Denver infield. Moore of Denver was given his base on balls three times and was hit once by the pitcher. O'Hagan won a place in local regard in the first inning by driving in two runs with a three-bagger. The fielding of O'Hagan, Wheeler and Murphy was the feature. President O'Neill of the Wostern league is in Denver on a trip over the circuit. The score DENVER

team Saturday by a score of 5 to 4. Both Doran and Lanigan pitched good ball, but the Creighton boys went up in the air the first of the simil inning and let in two runs. The collegians had a trifle advantage in the butting but their hits were not bunched. Their rally came at the end of the ninth when Mullen and Fitzgerald made a single each and Delaney a double, running in both scores, he himself being caught at second. With two out, Kelley went in for McShane, but did not succeed in getting first. The field was in miserable condition and the wind from the south blew | ton blinding scurries of dust to the batsmen, catchers and first basemen. The features of the game were the splendid team work of Harriman and Wonders. The score:
