The law compels the manufacturers of baking powder to print the ingredients on the label of each can.

The Government has made the label your protection—so that you can avoid alum—read it carefully, if it does not say pure cream of tartar hand it back and

Say plainly—**ROYAL BAKING POWDER**

Does Not Appreciate the Joke—Nora A. Skelton has petitioned district court for a divorce from Walter T. Skelton, declaring on April Fool's day, 1906, he knocked two of her teeth out. She does not appreciate the joke. She also charges him with a number of other acts of cruelty. She asks that her maiden name, Nora A. Tomba, be restored.
Ray Snider Wins Out—Ray Snider, charged with robbing Guy H. Meyers, a North Twenty-fourth street drugist, and with shooting at Jacob A. Saly with intent to kill, was arraigned before Judge Troup Wednesday morning and pleaded not guilty. The trial of Alick Edin, charged with manslaughter, will begin before Judge Troup Thursday morning.
Reply to Tillman—Announcement was made Wednesday morning by the so-called Omaha Chautauque association that Booker T. Washington has accepted of the gold medal in recognition of his services to the colored people of the United States. The date for the Washington meeting has not been fixed yet.
Youngest Orator Wins—Friends and relatives of Gerald O'Donohue, son of D. J. O'Donohue, are elated over the winning of the gold medal in the oratorical contest at Creighton university Friday night. One of the principal causes of rejoicing is that of the thirty who contested until the class numbered five all were much older than Gerald O'Donohue, who was the youngest of the lot by several years.
Boost for Police Funds—The sale of unclaimed articles left in the hands of the police netted a tidy sum for the police relief fund Tuesday afternoon. The court room at the city jail, where the sale was held, was crowded all afternoon and \$75.17 added by the treasury. Joseph Sommerberg acted as auctioneer and the bidding was at all times lively, some valuable articles being disposed of. It was the first police sale in nearly two years.
Suit Against Car Company—Martin McDonald has started suit for \$18,150.00 against the Omaha Central Trust company against a car for injuries he received while getting off a car at Twenty-fourth and C streets, South Omaha. She says the car gave a jerk as she was stepping off and caused her to injure her ankle, the injury developing into "suppurative sinovitis." She says she paid \$250 for medical attention and has been damaged to the amount of \$18,000.
Bill to Emphasize Ordinances—An ordinance now pending in the council is intended to make plain an existing ordinance governing licenses for drays and delivery wagons. It is the contention of the city legal department that the existing ordinance requires companies to secure a license for each wagon, but Police Judge Crawford has a different opinion and the new ordinance is to reinforce the contention of the city and to convince the police judge.
Payment Repair Force at Work—The city street repair force has shifted work on asphalt pavements on Cuming street between Sixteenth and Twenty-fourth streets and as soon as this is completed will begin at Tenth street, continuing on Howard to Sixteenth. The reason for not beginning on Tenth street is said to be the amount of material there is enough on hand to repair Cuming street and by the time that is done more material will be received and the work on Howard can proceed without interruption.
Articles of Incorporations—The Kiel Manufacturing company has been incorporated to manufacture washing machines, washboards, wringers and similar appliances. The capital stock is \$25,000. C. M. Profit-Sharing System—A profit-sharing system has been installed in the grocery department of the O'Donohue, Redmond & Normale department store, which is attracting considerable attention and the success is so pronounced that this system will be extended to all departments of the store within the next ten days. To every purchaser of \$1 and upward a ticket is given and when \$30 or more of these tickets are collected a valuable premium is given. These premiums are shown in the premium book in the basement of the daylight store and consist of photographs, gasolene stoves, silver-mounted steel glasses, garden hose, trunks, grips, cut glass, hammocks and stoves and all sorts of neat novelties.

REALTY FOR SALE IS SCARCE

Property, Under Tremendous Demand, is Getting Short on the Market.
OWNERS HOLD OFF FOR HIGH RENTS
Agents Find it Difficult to Reconcile Themselves to Bull Scale and Purchasers Stand Wondering.
"Many agents are complaining because of the lack of property listed with them for sale," said George G. Wallace, a prominent real estate broker, Wednesday morning. "Conditions are altogether different here than in many cities, as there are fifty sellers in Chicago to every buyer, but property for sale in Omaha is becoming very scarce."
"Most of the property taken by foreclosure proceedings during the last few years has been cleaned up. Rents are going up, and for this reason people who thought of selling are holding back and refusing to place their homes on the market even at a good profit."
"Agents and buyers are finding difficulty in becoming reconciled to the scale of higher prices on all Omaha property and purchasers are not ready to adjust themselves to the new scale made. Of course, there is still plenty of property for sale, but agents' lists are becoming depleted."
Deeds on Patrick Homestead.
A warranty deed was filed Wednesday transferring the title to the old Patrick homestead on the West Dodge street road to the Happy Hollow Country club. The deed was signed by Mrs. Eliza W. Patrick, widow of the late J. N. H. Patrick, and conveying the title to the estate of about eleven acres and the three large buildings on the tract. The consideration given was \$35,000, which is about one-third of the original cost of the buildings alone.
The interior of the Patrick home is being remodelled by carpenters for club house purposes, and a large force of workmen are improving the grounds surrounding the house. No plans have been made for the formal opening of the new country club, but the golf links will be ready for use within two or three weeks.
No Change in Headquarters.
Two of the small buildings near Fifteenth and Dodge streets, on the site of the proposed new headquarters for the Union Pacific company, have been rented to the Reliable Employment agency and the Volunteers of America, and it is reported one other of the buildings has been taken. The renting of the buildings is not taken as an indication of any change in the status of the building project of the Union Pacific company, as the leases taken are only for indeterminate periods and possession must be given on short notice.
When the land department of the Union Pacific moves from the headquarters to the new rooms which have been secured on the first floor of the old United States National bank building the old rooms will be used to relieve the overcrowding of three of the other departments at the headquarters. Part of the space will be occupied by Superintendent Korty of telephones and telegraph, David Lincoln, car service agent, and Auditor of Equipment Service Bartlett.
New Signs of Deals.
A. L. Gordon, proprietor of the Expressmen's Delivery company, has sold his seven-room residence at 104 North Twenty-fourth street, for \$3,200 to Morris Bernstein, one of the proprietors of the Lange Grocery company. The residence is comparatively new and one of the most desirable in that section. Mr. Gordon will build an eight-room residence this spring on his lot on Twenty-fifth street, between Cuming street and Indiana avenue.
Colonel E. S. Curtis is having plans drawn by Architect P. A. Henninger for a two-story frame blacksmith shop to be located on the lot owned by his daughter on Farnam street, between Twenty-eighth and Twenty-ninth streets. The structure will cost about \$4,500, being 50x22 feet, and the upper story of the building will be devoted to a large apartment. Bids will be taken in about two weeks.
Gottlieb Bodmer has sold his new residence in Knott's place on Blaney street, between Nineteenth and Twentieth streets, to Mary E. Hule for \$4,000.
Nathan Horn has sold his large lot and house near Twenty-fourth and Webster streets to George Taschuck for \$5,000. The property was taken by the purchaser as part payment on valuable property sold sometime ago to Mr. Horn.
Sergeant Louis Renfrow, who will resign from the police force June 1, to assume the proprietorship of the Windsor hotel, has sold his house on Madison avenue, between Fourteenth and Sixteenth streets, to William T. Blahall for \$2,500. Sergeant Renfrow assumed a comfortable fortune by dealing in real estate on money saved from his salary and was enabled to retire from the force to go into the hotel business.

DIVORCE HITS BASE OF LIFE

Strikes at Divine Order, Family Altar and National Stability, Says Bishop.
WORTHINGTON TO COUNCIL OF DIOCESE
Address Delivered at the Fortieth Annual Session of Episcopal, Who Act on Many Important Matters.
The fortieth annual council of the Protestant Episcopal church of the diocese of Nebraska convened Wednesday morning at Trinity cathedral after holy communion at 10:30 o'clock and a sermon by Dr. Robinson of Ralston, Wis.
The meeting was called to order by Bishop Coadjutor Williams and was organized by the election of secretary and assistant secretary and the appointment of the usual committees. Adjournment was then taken until 2 o'clock, when the annual address of Bishop Worthington and Bishop Coadjutor Williams were read.
Bishop Worthington's address was read by Rev. John Albert Williams. It dealt chiefly with doctrinal matters and questions that are to come before the general convention which meets at Richmond, Va., next October. A tribute was paid to the memory of the late James M. Woolworth, who for nearly forty years had been chancellor of the diocese and its ablest lay representative in the general convention. In view of the important messages to be passed at this general convention the bishop urged that care should be taken to select delegates conversant with such subjects and who would pledge themselves to attend and remain through the sessions. Among the grave questions to be discussed and acted upon—Richmond are divorce, divorce, the pro-tem system or the grouping of various dioceses into provinces with a bishop acting as primate or archbishop over each province; a court of appeal, with authority to pass on questions of doctrine, and the consecration of colored bishops for the south.
Warnings from the Past.
Speaking of divorce the bishop said: "The subject is one that is gravely important, for it not only relates to the welfare and domestic happiness of many, but to the very foundation of the divine order of the family and the welfare and stability of our republic. Divorce is the primary principle of corruption in Roman social life. Shall we not take warning from the records of the past?"
"Christian unity is to be desired. It should be close to the heart of all Christians. There is nothing that can be said reverently and wisely to sustain an argument in favor of sectarianism in Christianity. To sever the body is either to destroy or limit its life and ability of service. Every sacrifice consistent with legitimate adherence to principle should be made for the unity of Christendom. The overture looking to unity, made by divided American christianity by the House of Bishops in 1886, had met with little success. The failure was due to the disbelief in the Protestant world in a priesthood and the sacramental system which this involves. With there is the acceptance of the teaching of the Bible and prayer book there can be no organic union among christians. Concerning this vital question no concession can be made and the churchman will gain the respect of those who may differ from him by standing firmly upon this ground."
Colored Bishops in South.
With reference to the possibility of electing an African bishop the bishop declared that it is a question that has many sides and should be approached without prejudice and only after careful and prayerful consideration of what will secure the best results for the church in dealing with the large number of colored citizens in the north and the south.
The bishop noted among the many attractive features of the next general convention the recognition of the men of the church by a thank offering to Almighty God for 30 years of English christianity and urged that the offering be generous. The offering for the year of English christianity was to be made at Jamestown, Va. This was thirteen years, and six months before the pilgrim fathers landed on the rock-bound coast of New England. Great principles were enunciated by that colony on the James river, from which have come the venerable college, the college of William and Mary, and the representative government, a congress of representatives chosen by the people. The colonists made education the cornerstone of liberty and religion the basis of character. From these principles our wonderful national life has developed.
The bishop strongly pleaded for a better observance of the Lord's day, as a divine institution for man's good, and warned against the tendency to make the church a kind of social club.
Williams on Diocesan Matters.
Bishop Williams in his address confined himself almost exclusively to diocesan matters and the missionary work of the church in this state. He briefly alluded to the election of deacons in his entire address—the election of deacons to the general convention, the men's missionary fund offering, designating June 10 as the day for sermons throughout the diocese on this subject, and the appointment for domestic and foreign missions of three of the other departments at the headquarters. Part of the space will be occupied by Superintendent Korty of telephones and telegraph, David Lincoln, car service agent, and Auditor of Equipment Service Bartlett.

Iowa, delivered 303 sermons and addresses, held 177 services, made 145 visitations and had written 1,335 official letters. Harmony and unanimity exists throughout the diocese and the people seem to have a mind vigorously to press the work of God's kingdom.
At 4 o'clock a general meeting was held, which was addressed by Rev. Dr. Brown, missionary to Rio Grande do Sul, Brazil.
MONEY FOR THE NEW HOSPITAL
Thirty-Six of Eighty Thousand Dollars Now on Hand.
A meeting of Clarkson Memorial Hospital association was held Wednesday morning at Trinity cathedral preceding the opening of the council of Fall church. The purpose of the association is to raise funds to be used in the construction of a new hospital building.
The hospital association now has on hand about \$5,000 and lots at Twenty-first and Howard streets upon which the hospital will be built. As additional resource it owns the present hospital site free from incumbrance. It is the intention of the association to spend about \$50,000 in the construction and equipment of the building. A house which stands on the new site will be used as a training school and nurses' home after the new hospital is in operation.
The women have promised to raise \$20,000 of the additional sum required for the work, and at the present time have about \$2,000 on hand. There are twelve soliciting committees at work and reports were received from the majority of the chairmen at this session. Of those reporting the committee headed by Mrs. George Thumel reported about \$2,500, Mrs. A. J. Poppleton \$500 for building and \$400 for equipment. Mrs. F. H. Davis \$1,200, Mrs. Phillip Potter \$300 and equipment for laboratory, Mrs. Albert Noe \$1,285, Mrs. F. H. Cole \$500, Mrs. B. Caldwell \$1,000, Mrs. Joseph Clarkson \$115, Mrs. F. Clardie of Blair \$500, Mrs. Williams \$856, Mrs. Millegaugh and Mrs. Clinton Miller did not report.
Mrs. Joseph Clarkson reported the greatest number of new members since the beginning of the campaign for funds. New committees were named and changes made at Hartnett, Falls City and Lincoln.
The association will have a tea room at the "Streets of Paris" and those in charge of the booth on different evenings will be Mrs. Noe, Mrs. John Williams, Mrs. F. H. Davis, Mrs. Charles Keller, Mrs. Phillip Potter, Mrs. Kirkehill, Mrs. V. B. Caldwell, Mrs. E. P. Cook, Mrs. John Burdick and Mrs. F. H. Cole, and on the last night a delegation from South Omaha churches.
VETERANS GO TO FREMONT
Men and Women of Grand Army Attend Grand Encampment of the State.
A number of the delegations to the Grand Army of the Republic encampment at Fremont left for that city on the morning and noon trains. The major portion of the delegations were women delegates who will attend the department conventions of the Woman's Relief Corps and Ladies of the Grand Army of the Republic. Among the prominent relief corps women leaving at 12:45 over the Union Pacific for Fremont were Past National President of the Woman's Relief Corps Mrs. Abbie Adams of Superior and Mrs. Kate Remington of Omaha.
Quite a delegation of members of the Ladies of the Grand Army of the Republic departed on this same train. They were: Mrs. C. M. Peters, president of Garfield circle No. 11; Mrs. Sarah Johnson, Mrs. Clara Lyons, Mrs. M. A. Hopper, Mrs. Carrie Vroman, Mrs. Mary Keller and Mrs. Sarah Smith. This delegation will labor diligently for the election of Mrs. Clara Lyons for the office of department president.
A number of Grand Army delegates accompanied this party of women. They were: Past Department Commander C. E. Adams, M. A. Hopper, A. M. Vroman, J. A. Berger and one or two others.
A delegation of Grand Army men left for Fremont Tuesday night to open up a headquarters for the coming of the candidacy of T. A. Creigh of Omaha for department commander. This delegation will be largely augmented by other Omaha comrades who will leave for Fremont on the later afternoon and evening trains. A number also will go from Omaha early Thursday morning.
The election of officers will not take place until Thursday afternoon.
The most prominent candidates for department commander thus far announced are A. N. Barnes of Grand Island, Rev. P. C. Johnson of Lincoln and T. A. Creigh of Omaha. It is expected other candidates will step up before Thursday afternoon. It is thought that Lincoln or Omaha will be selected for the next encampment in 1908.
