# Our popular makes of Pianos at \$250, \$275 and \$300

are noteworthy for rare beauty of tone and accuracy of action. Extra care in the making, as well as unexcelled opportunities in the selection of material, result in a musical instrument worthy of a place in any modern home.

In the matter of casings we exhibit many widely varying designs, ranging from Coionial to the new Composite Models. All fancy woods may be seen, including the choice of Mahoganies, Walnuts, and Oaks. Dull finishes are ready for those who prefer them.

This month we offer a new Mahogany or Oak Piano (small size) at \$145.00, or a larger size in Mahogany or Walnut finish, for \$168.00. Write for free Catalog and full descriptions of the world's leading pianos, with valuable advice to anyone contemplating the purchase of a piano.

We rent new planes from \$3 upward; also move, store, tune and repair instruments of all makes. Terms: A payment of \$10 down and \$5 per month secures almost any plane in our stock. Why not have one sent to your

Enters Pleas of Not Guilty. Enters Pleas of Not Guilty.

COLUMBUS, O., May 18.—In police court today William B. Moore, representing the Denver (Colo.) Lumber company, who is charged on five counts with presenting and receiving payment on fraudulent bills in connection with the city light pole purchase deals, and William Williox, who is charged on the same number of counts with certifying fraudulent bills as correct in his capacity as superintendent of the municipal electric plant, entered pleas of not guilty, and their cases were continued until Tuesday. The announcement was made that two additional and similar charges had been brought against each puns. They were released under \$1,000 bonds.

#### Series of Uncommon Thrills Experienced by Civil War Veteran.

Twice pronounced dead and each time dmost buried alive, Seriously injured many times in the course of sixteen battles.

hurt several times in other ways at dally This is the remarkable record of Samuel

and a civil war veteran who, apparently, bears a charmed life. Perhaps no other Indiana man has faced almost certain death as many times as has Cassell. Certain it is that but very few other Hooslers, if any, have spent two days and two nights in a morgue awaiting burial, to be rescued and restored to good

bealth. Mr. Cassell is a native of Blackford county. He was born in Hartford City, April 26, 1843, and with the exception of five years in Kansas he has always resided in the county. When the civil war broke out he enlisted as a member of Company C. Eighty-ninth Indiana infantry. He was 18 years old when he enlisted, and

On one march his company "hoofed it" 720 miles, making an average of thirty-one some precautions with miles a day, as shown by the colonel's of their customers. ankle deep and his feet were frozen.

battlefield, and he was taken prisoner by wagons or put each loaf in a box immedithe enemy and sent to Nashville. Soon ately after it is baked?" later released. They started to tramp it were recaptured by a scouting party and were going to be shot, but they effected

reached the Union forces. While facing fire in another battle the in the bags and scaled, stock of his gun was shattered by a bullet.

Patrons of the baker praised the innovaand he was seriously injured. The middle tion and told him that the ciled bags kept

where after a time he recovered.

retired citizen, was called to take charge of the body. After visiting the Casseil fortune. home Mr. Gable returned to his shop for his paraphernalia, but before he got back the supposed dead man came to life and the funeral arrangements had to be postponed. Twenty-five years ago this apparently

escape from death. While cutting logs of his farm north of the city he was caught under a falling tree. The tree was a large one, and in the very top, where three heavy limbs formed a fork, the trunk was dead. When the tree was cut it began to fall the wrong way and there was a scatterment among the workmen to escape being crushed. The dead fork broke off Pinioned to the earth by falling tree and and fell in just the opposite direction from the tree. The prongs of the fork were several feet in length, and Mr. Cassell, who thought he was on the safe side, Cassell, a resident of Hartford City, Ind., was caught under it.-Chicago Tribune.

SEALS BREAD IN PAPER BAGS Popular and Profitable Innovation

of a Thoughtful New Jersey Baker.

With paper bags as ammunition, a Newark (N. J.) baker is waging single-handed warfare upon all the hundreds of bakers in Manhattan, Brooklyn, Richmond, Jersey City and Newark that belong to the Bakers' Protective association. So successful has he been that terms of peace have been proposed to him by his powerful rivals.

Some months ago the Newark baker, who the close of the war he returned to then was using only five wagons in the Hartford City. His discharge papers show delivery of his product, was told by one that he engaged in sixteen different bat- of his oldest patrons, an aged and rather precise woman, that bakers were an unprogressive class and that they should take

dairy. This was in November of 1864, and "Uncle Sam," she told him, "Is forcing on 450 miles of the distance many of the other business people to sell only pure soldiers tramped in their bare feet. Mr. food, but you continue selling bread that Cassell was one of them. The snow was may be wholesome when it leaves the ovens, but certainly is far from being so He carries the scars of many battles. He after it has been handled by the drivers was shot in the left shoulder, and in a several times and trundled around for houhand-to-hand conflict with the enemy he behind odorous horses and through the was almost hacked to pieces. Two sword microbe-laden dust of the city streets, cuts in his right knee felled him on the Why don't you carry bread in dust-proof

after an exchange of prisoners between Considering the hint for several days, the armies was made, but because of his the baker decided that dust-proof wagons injuries he was left with the enemy until were impracticable, but the project of enhe recovered. He with other prisoners was closing every loaf in paper bags seemed to the Union lines. After a day out they the usand of them. Each bag was made of olled paper a triffe larger than a loaf of bread, and so constructed that it could be were going to be shot, but they effected pasted shut, thus forming practically an an escape, and after walking 200 miles afr-tight covering. As soon as the loaves

finger of his right hand was almost sev- the bread so fresh that it seemed just to ered by the leaden ball and splinters from have come out of the oven. The woman the gun stock were buried in his skull, who had suggested the idea was exultant, leaving two deep depressions, one at the for at last, she said, she could obtain what back of the head and the other on top. | she called "sanitary bread." Within a In 1862 he was taken sick while in camp week there was a perceptible increase in at Indianapolis and was carried to the the demand for the bread, and the baker dead room in the hospital, where for two was obliged to order more bags. This time days and two nights he was left with five he caused to be printed on the outside of corpses. When they came to bury him it them his name, the name of the bread and was discovered that life was not extinct, a few sentences describing its superiority and he was taken back to the hospital, over that sold in the old way, arguing He was mustered out of service at In. would be seen by at least several persons fanapolis and went back to Blackford and that in that way he could advertise ounty. In 1884, while living there, he had his product profitably and at small cost. another serious illness. Again he was Within two months the output of the pronounced dead and arrangements were bakery had been doubled, the five wagons made for his funeral. W. H. Gable, at had been increased to ten and the prothat time the only undertaker, but now a prietor awakened to the fact that he had discovered the possibilities of making a
