### DEAL IN SUBURBAN LAND

Frank Mitchell Buys Tract Held by Starr  
Family for Fifty Years.

### WORK BEING RUSHED ON NEW HOTEL

Bricklaying on Cohn Building Will  
Start Tuesday—Several Real Es-  
tate Transfers that Are  
of Interest.

Frank Mitchell, a stockman at South  
Omaha, has bought the large tract of land  
containing thirty acres north of the Union  
Pacific cut-off and adjoining the city limits  
from Mrs. Sarah Starr for \$100 per acre.  
The land is unimproved and has been held  
by the Starr family for about fifty years,  
but Mr. Mitchell intends erecting a large  
house this summer to be constructed of  
cement blocks. The sale was made for  
Mrs. Starr through Harrison & Morton,  
who recently sold some city property for  
Mr. Mitchell. Harrison & Morton also re-  
port the sale of another lot in Siphur  
Springs addition, near Sixteenth and Pink-  
ney streets, to Lawrence Kearney of the  
Udick Grain company for \$750. The lot  
adjoins one recently bought by Mr. Kear-  
ney, who will build a large residence on  
the combined lots.

Work on the new hotel and office build-  
ing of Herman Cohn, which will extend  
from Capitol avenue to Davenport street  
on Sixteenth street, is progressing rapidly  
and the concrete foundations are nearly  
completed. Large concrete bases, six feet  
square, have been made for the erection  
of the immense steel girders and the con-  
crete work for the walls on the Sixteenth  
street side of the building will extend be-  
neath the sidewalk. The work is being  
done by P. P. Gould & Son, contractors,  
and bricklaying will begin Tuesday morn-  
ing.

**Other Transactions.**  
W. H. Gates has sold the new house at  
232 North Twenty-fourth street for \$3,500  
to D. E. Edquist and the two-story frame  
house at 204 North Twenty-seventh avenue  
for \$1,500. Another, also reported by Mr.  
Gates is that of two lots at Twenty-first  
and Union streets for William T. Robin-  
son at the reported price of \$500. The lots  
will be improved by the erection of two  
frame cottages as an investment.

Through some disagreement with the W.  
Farnam Smith company, Mrs. Amalia  
Greenman-Pink has given the agency for  
the handling of the Greenman real estate  
in Omaha to Payne, Rootwell & Co. The  
W. Farnam Smith company has had the  
agency for the Greenman property for  
some time and it includes the valuable  
lot at the northwest corner of Seventeenth

and Douglas streets, which is held at 75-  
000, and a row of four brick houses at  
Thirtieth and Dodge streets.

Deeds have been recorded transferring the  
title to the large lot and nine-room house  
at the northeast corner of Thirty-first and  
Pacific streets from F. L. Loomis of Min-  
neapolis to Mrs. Anna Fos for \$4,400.

### FREE FROM FEAR OF JURY

Large Number of Persons Leave Idaho  
to Escape Service on  
Moyer Trial.

"Afraid of being drawn on the Moyer  
jury any number of people are leaving  
Idaho as fast as they can," said Peter P.  
Shelby, who is in Omaha from Idaho. He  
was once freight traffic manager of the  
Union Pacific here and has many friends,  
whom he is visiting.  
"Yes, sir," added Mr. Shelby, "the ter-  
rorists are having effect in driving peo-  
ple out of the state. A mortal fear and the  
fear of a long drawn out trial, with jury  
service at \$2 a day, is causing a tempo-  
rary reduction in the population of the  
state. It is already necessary for the  
authorities to fairly sweep the state in  
their attempt to get jurors."

berlain's Pain Balm for sore muscles or  
swollen joints.

### LETTERS BURNED AT BOXES

United States Mail is Destroyed, Sup-  
posedly by Boys in Pure  
Mischievous.

Letters more or less scorched and burned  
were brought into the postoffice Monday  
morning from the mail box at Thirty-third  
and Douglas streets. The burning of the  
letters is thought to be the work of mis-  
chievous boys who have the habit of throw-  
ing lighted matches into the mail boxes.  
The practice is regarded as a crime by the  
government authorities and inspectors have  
been put to work to investigate the matter  
and locate the perpetrators with a view to  
their arrest. The trifling with letter boxes  
in any manner is a very serious offense and  
is liable to land the perpetrators in the  
penitentiary. The government never for-  
gets a crime against the postal laws.

**A DIAMOND GRADUATION**  
Nothing is as suitable for graduation  
as a Diamond Ring for a young lady  
or gentleman. IT LASTS FOREVER.  
People with gray hair and bent with  
age come in with a diamond to have  
reset or the setting repaired, and say  
to us, "Be careful of this. I have had  
it a lifetime. My father gave it to  
me when I graduated." Do they prize  
it highly? You know they do.  
You can buy a nice one at our store  
for \$25.00. Will you come and see? It  
costs nothing to look.
