Chicago and New York in the National league lost Monday and so did Omaha in he Western, but the Omaha loss was more disastrous, for it cast Omaha away from the first position. This latter catastrophe all happened at Vinton street park before a goodly crowd of fans and members of the fair sex when the Des Moines Champions won from Pa Rourke's Colta by the score of 7 to 4. The defeat was a hard pill for the local fans to swallow, for those present had no idea of losing the game arter the first inning.

Sanders pitched for Pa and Speer for Des Moines. The local southpaw had the GAMES IN AMERICAN ASSOCIATION butter of the argument until the fifth inning, when he was touched up for three hits and gave two bases on balls, something very unusual for Sanders. In the next finning he was hit harder than ever, but Captain Franck decided to let him work e game out, although he had Thompson warmed up. For three innings Des Moines Gld not get a sign of a hit and in the fourth made one and then the trouble

Omaha, on the other hand, started from taw to lambast Mr. Sporer, but things went wrong and no runs resulted. The Rourke family made one run in the second. After Austin was out Graham reached first on Sporer's error, Graham stole second, but Dexter thought he didn't and kept shooting off his mouth until Mr. Gifford put him out of the game. It is a different proposition this year, for the umpires set the Champions down just the same as any other team. Anyhow Graham stole second and came home on Johnny Gonding's

All Drive to Little Mac.

Des Moines made two in the fifth inning and mostly because McNeeley was having to fill in in left field. The Champions steered all their nits toward Mac and were lucky in being able to place them out of his reach. After McLaughlin had died on an infield grounder Gochnaur walked. That was the first mistake. Then Shannon hit to left Just where McNeeley should have been to land the ball, but he was not there and it was a two-sacker, which scored Goehmaur. Sporer singled and Schipke flew out. Hoggie hit between short and third and Shannon scored.

Omaha evened up the score in its half of the inning by Gonding leading off with a single and going to third when Sporer threw over second in an attempt to catch Gonding on Sanders' sacrifice. Belden hit to Schipke, who caught Sanders at second, and Gonding scored. Franck hit to the infield and Belden was out at second. Autrey hit for a long two-bagger, but perfect relay work from McLaughlin to Andreas to Shannon nalled Franck at the plate, for the third out.

The Champions added four runs in the sixth on four hits, a base on bails and two errors.

Looks Good, but Is Not.

The eighth inning turnished a raily which looked like it might amount to something, but it was over all too soon. Franck hit to the pitcher and Autrey made a double down the first base line. Welch walked and Austin hit for a double down the third base line, scoring Autrey, Sporer was then sent to the stable before the game might be lost and Mr. Gehring was called in to see what he could do to stop the carnage. He succeeded. Graham was Minneapolis 0 2 2 0 1 0 2 3 *-10 the first man to face him and he bunted St. Paul. 0 0 0 0 1 0 0 4 1-6 scoring Welch. Graham overran second and was nailed and Cosey Joe, who a suffering from a torn fingernall, was called in to bat for McNeetley. The old war horse did not make good and Omaha's chances were gone.

The same teams will play this afternoon. The score: DES MOINES.

Notes of the Game. Yeager has a builded for a mascot. He evidently knew the law in Omaha, for he had him muzzled. Dexter was soon put on the bench when he tried the buildozing tactics which he pursued with such ease. Spike Shannon, who caught for Des folnes, is an old Omaha boy and spends is winters here. He was in the same at

all stages, making three hits, two runs and having six putouts and four assists.

The Des Moines team played in Pueblo Sunday and arrived in Omaha at 3:20. They dressed on the train and were at the grounds before to clock.

Pa is enthusiastic over the way Autrey plays first base, but Chick had an off day yesterday and dropped several easy ones. He filled his position, however, in fine form. form.

Trapper Bill Schipke was given the glad hand when he first came to bat. He did not do much the first two or three times up, but finally landed a good single when

counted. The fans thought Sanders should have been taken from the game in the fifth, when it was plainly seen that he was weakening and having hard work to put the ball over the plate.

NEW YORK, May 30.-Through serried lines of cheering thousands. Beacon Light, ridden by Jockey Lowe, was second, a length behind

in 2:(2. The Brooklyn handicap brought out a great crowd to see the running of the classic despite the heavy rains of last night. Six horses were scratched because of the heavy going, while Okenite and Good Luck were added starters, their ownera believing they had a chance in the miry racing lane for the \$20,000 purse.

Superman, and Nealon, carrying the colors

of C. E. Durnell, was third. Superman cov-

ered the course of a mile and a quarter

At the starting line the horses fretted and pranced and at the drop of the flag Superman shot out in front, followed by Okenite and Go Between, and a flying field in the muck and mire. Miller beld Superman in check, however, and Okenite took the lead at the quarter, with Superman running second and Beacon Light third, a short distance away. Buttling and Go Between, the strong favorites, were with the field.

Okenite was first at the half with Superman surrendering the place to Nealon and Beacon Light. Into the stretch they raced and Miller, touching Superman with the whip for the first time, sent his mount in front. Okenite bravely tried to follow, but gave up, while Beacon Light and Nealon were whipped to a final burst of speed. Superman was in no danger, however, and he passed the judges' stand an easy winner with Beacon Light second a length away and Nealon third.

There were three cheers for the horse a horseshoe of flowers for the jockey, a rush of the winners for the betting ring and the Brooklyn handicap, the third in twenty years to be won by a 3-year-old. was over. Results:

You should not be deluded with the idea that diseases and aliments of men will correct themselves—they seldom (if ever) do. It is useless to worry about the past cause after the trouble becomes once established. The fact that it now exists makes it necessary that there should be no apathy, no delay, no experimenting, no deferring snatters until later on. Special diseases and affections resulting therefrom should not be tampered with owing to the natural tendency of every disease to continue to progress and assume more serious proportions and netive measures are not employed to bring about a complete and radical cure. Do not let a temporary subsidence of some of the more prominent symptoms lull you into a sense of fancied security.
