THOMPSON HIT AT PROPER TIMES

Champions Open the Game Disputing the Empire, Who Puts Two of Them off the Grounds.

Des Moines 6, Omaha 1. Mathew Gehring. Des Moines' sturdy college bred pitcher, and several dopy plays by the home team were the chief elements that brought about Omaha's defeat by Des Moines yesterday at Winton street park. Gehring was practically invincible to the Rourkes, who fanned tweive times and hit but four times, twice on the scratchy order. But Omaha had a day of stage fright-at least that is a charitable way of looking at it. Several plays indicated

not slept enough. Umpire Gifford had a had day of it, too. He got off on the wrong foot and at the very outset was obliged to order Catcher Shannon off the grounds. Later in the game he threw Colonel Hogriever out and had to threaten Dexter and Andreas several times.

that Papa's boys had either overslept or

Thompson was opposed to Gehring. He seemed to have been tripped twice by the persistent efforts of Des Moines to rattle him. This was in the second and seventh innings, when two and four tuns tespectively were scored. In the seventh inning, however, it was not entirely the fault of Thompson, for when two men were on bases Austin was given an easy grounder out of which a double play should have been made, but instead Austin fingered the ball until the bases were full and at this point Bill Schipke cracked a clean one to deep center for three bases, scoring three men.

DENVER, May 21.—Listless playing threat on by Lenver, Both teams played loosely in the opening lunings. Cadwallader practically lost his own game in the first inning by a bad throw to second, which gave Denver an opportunity to score later. An error by Campbell in the fifth, a base point Bill Schipke cracked a clean one to deep center for three bases, scoring three men. tively were scored. . In the seventh inning.

#### Triple and Double.

In the second inning Corkhill caught one right on the end of his bat and it grazed the first bag for three bases. That seemed to rile Mr. Thompson considerably and before he collected his thoughts he had walked Andreas. McLaughlin advanced them each a base by a sacrifice and then Gochnaur brought them noth home by a hard double to left, which Ragan misjudged for the moment. But it probably was over his head at that.

Des Moines started its "barking at the ampire" tactics in the very first inning when the first man was at bat. Slugger Bill claimed a ball hit the buckle of his belt and that he was entitled to his base. The ump, said no, and that settled it. But not for Shannon and Dexter, for they kept barking away until the time when Belden came to but in the first inning. It was then Gifford put Shannon out of the game. He also told Dexter a few things which had a quieting effect, although the warnings had to be repeated several times during the game. Hoggie got to "shooting off" too much in the last inning and he was put out of the game when he had a couple of balls and strikes on him. Yeager took his place. Hoggie is vastly different took his place. Hoggie is vastly different

The score:

Notes of the Game. Shannon and Hogriever out of the game and a couple more threatened shows Gifford means business.

Dushwood did not have much of a wing, ut that did not help Omaha much, as it ould not get anyone on bases to steal. The Omaba team seemed to have stage fright. It acted as though it thought Gehring was possessed of some evil power which he might cast upon it if it hit the

Omaha Scores in First.

Omaha started the game in much the same manner as the Rourke family did the day before. It really looked from the start as if Pa's Colts were going to have a picnic with the Des Moines team. But it only looked that way; it was not so. Belden reached first by hitting the ball to Gochhaur, who threw to Dexter and Dexter dropped the ball. Belden stole second, went to third on Franck's infield out and came home on Autrey's bunt. Autrey was caught trying to steal second, Welch hit for a safe bunt and Austin flew out to center field. That was all the run getting for Omaha. The same teams this afternoon. LINCOLN.

GREAT CROWD ATTACKS THE UMPIRES

Police Draw Their Revolvers and They Gain Dressing Rooms-Mounted Officers Then Drive Mob Away.

> NEW YORK, May B .- The first game of the series between the New York and Chicago National league teams at the Polo grounds today ended in almost a riot.

> Chicago won by the score of I to 2 and is now tied with the New Yorks in the race for pennant Fast infield plays and Bresnahan's errors were responsible for the downfall of the locals.

> Immediately after the game was over the crowd, maddened at what was considered unfair decisions, surged on the field and surrounded umpires Emsile and O'Day. Cushions were thrown at Umpire Emaile and he was jostled by the mob. The officials ran for their dressing rooms, followed by hundreds of angry men. Two polloemen entered the grounds and when several bottles were thrown by the crowd they drew revolvers and one of them fired a shot in the air. This brought a mounted patrolman into the grounds and the crowd was driven away from the umpires room.

The Prohibition Theory on Beers

Has been weighed in the balance and found wanting. The great scientists of all Nations after careful analysis declare that

beer brewed from pure barley malt and hops contains only about 31/4 per cent of alcohol or just enough to mildly stimulate the body and promote healthy digestion. Dr. Bauer, the German analyst (whose fame is international) says "Beer has a number of pleasant and valuable qualities. No other beverage contains such a combination of useful properties. The water of it quenches the thirst, the carbonic acid refreshes, the extracts are nutritious, the alcohol furthers digestion, the mineral

Dr. Bauer's statement here given exactly describes the qualities of

Gund's Peerless Beer

Its commanding superiority over all American brews was proven at the St. Louis World's Fair where in open competition

with the best America can produce it won the Gold Medal. Peerless has been brewed for over 50 years from the best

Malting Barley and finest Bohemian Hops by the world-famous "Gund Natural Process" and has won its high position

solely on account of unadulterated genuine honest merit. Sold at all places of public resort and generally found in the homes

The man who has youth in his heart, pure blood in his veins, ambition, confidence and nervous energy in his make-up, and who is free from the contaminating effects of these diseases or the depressing influence of Nervous Deblifty is worth more to himself, his family, his friends and the world than is the broken-down millionaire, with all his wealth in the bank.
