Except in Patal Inning Omaha Twirler Plays Good Ball and Holds Opponents Down Well.

Hall had a bad inning in the game with the Des Moines champions Wednesday and it cost Omaha the game, for it was in that inning that all the scoring was done. But two hits were made in the inning, but Hall walked two and hit another and these, coupled with Graham's error, gave Des Moines three runs and the game. Hall pitched a superb game except in the fatal Smith, but the lucky bunching was what counted, especially as Omaha was unable to bunch any of its eight hits and the game went to the champs, 3 to 0.

Miller and Dashwood were in the points for the champs and Miller seemed to be pitching easily, but the hits did not come when they would count. Des Moines played an errorless game and the only wabble made by Rourke's colts was by Graham in the fourth, just when it counted the

The nearest Omaha came to scoring was in the sixth inning, when with two Bauer, if out Autrey hit for a double. Welch followed with a single to left, but it was Newlin, p ........... 4 fielded too quickly for Autrey to come on home, and Austin's long fly to Hoggle re-

tired the side. The story of the way Des Moines won the game in the fourth is a sorry one to relate Murphy, Wheeler, and the 1,200 fans are still thinking about how it was done. Hoggie was the first man up and walked. Dexter then hit for a single and Corkhill brought them both some with a double. Andreas was hit in the slats and McLaughlin struck out. Gochnaur was passed by Hall and the bases were filled, with one out. The infield came close when Dashwood bit a hard one at Graham, who fumbled it until Corkhill had scored. Miller hit to Franck and Andreas was caught at the plate and Slugger Bill hit to Graham, and the agony was

Notes of the Game. A bad inning did the business.

Hall passed the first man up in the third, ourth, fifth and sixth innings. Dexter kept the Des Moines team pretty well subdued and a word from him seemed to quiet them.

The three double plays made by Omaha were hair-raisers. Franck and Gonding were in all three of them. were in all three of them.

Graham made a wenderful catch in the seventh inning when he ran way back and hailed Schipke's high one.

Weich got two hits and was hit the last time up, but the first time up when a hit was needed, he was not there.

In the seventh inning Gonding and Townsend each made a hit; with but one out, Hall and Beiden, however, did not bring them arbund.

Andreas got the large crowd down on him by jumping at Townsend with his spikes. He was clearly out, but Townsend stood back from the line so Andreas missed him.

Hall hit a hard one down the first base

Hall hit a hard one down the first base fair ground, but the ump. said otherwise.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the trend. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Hasket Weave" trend which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$3.50 per pair, but for advertising purposes we are making a special factory price to the rider of only 4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.85 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement.
