luth and Chicago reported receipts of 314 cara against 412 last week and 134 a year ago.

The general rains in Nebraska and Iowa brought out liberal profit taking sales in the corn market and caused a decline of about 20 per bushel in the price of corn. These sales were augmented by quite general selling by commission houses. Elevator interests and cash houses were active buyors on the break. The close was weak. July opened %6% to 1%6% a lose was weak. July opened %6% to 1%6% a lose of a to 52% and closed at 52%. Local receipts were 114 cars, with 42 of contract grade.

The wet weather in the west had also a depreasing effect on the oats market and cauy 4a decline of from 1a to 2c per bu. In 1 sts. The July delivery received better support than the more distant options, owing to the quite keneral belief that the new crop of oats will not be harvested in time be available for delivery on July contracts. Cash houses and pit traders were the principal sellers, while offerings were taken mainly by commission houses. July opened unchanged to %c lower at 69% 60%, sold between 46% and 47% c and closed at 47c. Local receipts were 87 cars. There was little trading in provisions and the market was weak because of continued liberal hog receipts and the slump in grain. At the close July pork was off 12% at 115.52%: lard was down 74c at 29.15 and ribs were 74% 100 lower at 8.69.

Estimated receipts for tomorrow: Wheat, 65 cars: corn, 174 cars; oats, 165 cars; hogs. 7000 head.

CINCINNATI. May 22.—WHISKY-The first advance that has been made in a year in bulk whisky was made here today. The increase is 2 cents a gallon, making the new price il. The prevailing high price of corn is given as the cause for the advance. Both independent and combine distillers will demand the advance in accordance with an agreement when the whisky war was compromised two years ago. The advance will mean an increase of at least 2 cents a gallon in denatured sleohol for commercial use. It will also mean an increase to the blending and compounding houses which market whiskles using spirits of ethyl alcohol as the brats.

HOGS—Receipts of hogs at this point were large again today making the total of the four days excessively large, as will be noted from the figures at the head of at column. At the same time the other market points have had large runs with the result that prices at all points have been given a downward tendency. Barring a little atrength on Tuesday prices have been lower at this point the same as at others, the decline being continued today.

Hogs sold today generally 5@10c lower than yesterday, \$4.0506.15 huying a large proportion of the loads, as against \$5.50 yesterday. Some good light hogs sold up to \$8.25, the top yesterday having been \$8.35. The trade was at no time very active and as the market did not open until late it was midday before anything like
