LONG YOUNGSTER GOOD IN BOX

Holds Drill's Sluggers Down to Five Hits and Makes a Real Single Himself, Scoring a Run by the Blow.

Omaha, 6; Pueblo, 2. Hall, the elongated pitching recruit of the Rourke family, was almost invincible Omaha team this afternoon in the game against Pueblo at Vinton street park Tuesday afternoon and won his game by the score of 6 to 2, allowing out five hits. The two runs which Pueblo made were in the seventh inning, when not a lift was made. Two bases on balls and two errors, and some foolish playing coupled together allowed the only runs Pueblo made in the game. Most of the Omaha runs were earned and were due to hitting the ball at just the right time. Morgan was in the box for Pueblo and was steady and effective except in two innings, the fifth and the seventh, when Omaha made all its runs.

Johnny Bender was present in a Pueblo uniform, but took no part in the game except to coach. He was given quite a welome by the fans, many of whom would like to have seen the stocky little footballist in an Omaha uniform again this

The wind was blowing a gale from the northwest and was responsible for most of the errors made, which came from misjudged popups. Gonding missed a hard one which the wind blew over to the Pueblo bench and Pa remarked it was the first foul tip Gonding had ever muffed for the Omaha team. No Runs Till the Fifth.

Neither side scored until the fifth inning, when Omsha had three chalked up to its credit on a base on balls and three hits. Joe Dolan was the first man up and he walted for four wide ones and was subdued at second when Austin tried to sacrifice, Graham hit for a clean double, but Austin was able to get no farther than third on the hit. Gonding hit a long fly to Cook and Austin scored on the throw in. Hall surprised himself and the fans by

Signification of the Rourke family and Franck sent Sanders to warm up, as Hall was appearing a trifle shaky. Franck allowed him to stick, however, and Melchoir popped a high one to Franck. Belden hit a grounder to Franck and it looked like a double was to retire the side without a score, even after the poor start which was made. Franck togsed the ball to Graham, who touched second and then threw wild to Doian. Dolan chased the ball to the bleachers and then threw wild to bleachers and then threw wild to the home plate.

Signification of the cadwallader was hit and throughout the game today and the Lincoln Ducklings got away with the Sloux Bulliant catches by Period and the Lincoln Ducklings with the Sloux Washington. St. Louis. Washington Wins with Stlek.

Notes of the Game.

Des Moines today. Des Moines today.

The boosters' club is ready.

Townsend has been turned loose by Pa.

He has not decided where he will go.

Ryan, the Grand Island boy with the Pueblo team, has made seven hits in the present Pueblo-Omaha series.

Hall not only pitched a phenomenal game, but made a good single and a sacrifice and a run. Pretty good for a recruit.

Bender had been traveling several days and Drill decided not to send him into the game until he had rested up a little.

McGlivray was all over the field and took four hard chances. He has taken fifteen chances without an error in the present series.

Champs are Outplayed. Champs are Outplayed.

DES MOINES, June 4.—Denver outplayed the Champs in every department of the game this afternoon and won by a score of 5 to 1. The Des Moines team played careless, sleepy ball both in the field and on bases, while the Grizzlies showed plenty of pepper and ginger from start to finish. A fast double play in the ninth from Reddick to White to Moore stopped what looked like another ninth inning raily for the Champs. In the seventh inning Cassady cut off at least one run by a sensational circus catch in the field. Attendance, 600.

Take Your Choice—a Drug or a Food

Physicians of the highest scientific attainments unite in declaring that coffee is a form of slow poison—a pernicious drug. They point out that it darkens the blood, clogs the liver, colors the skin, weakens the heart's action and ruins the digestion of all who drink it. On the other hand, doctors declare that a pure bottled beer, properly brewed from Malt and Hops, and fully aged, like

is a most wholesome and delicious beverage. Gund's Peerless Beer being made from malted barley, is essentially a "food-stuff" of high nutritive value. If drunk regularly with meals it clears the liver, enriches the blood, brightens the skin, stimulates the gastric secretions and wonderfully promotes the digestive process. Thus it is that the beer-drinking races of men are the healthiest and in the forefront of the World's progress. PROFESSOR MOLESCHOTT, the celebrated German savant, says: "A good beer is as nutritious as fruit. Fermented liquors

taken in moderation increase the secretions of the digestive juices and promotes the assimmilation of food." PEERLESS BEER won the Gold Medal at the St. Louis Exposition for highest excellence. Contains less than 81/2 % of alcohol, therefore is really a temperance drink. Doctors prescribe it for the weak and sick. Used at all high-class health resorts. Delivered at homes on request by phone or mail. Sold at all cases, saloons, hotels and buffets. Bottled only at brewery.

The tournament will continue today and there are to be twelve events besides the special exhibition by Captain Hardy of Lincoln, who will shoot at 4 p. m. with a rifle, accomplishing all kinds of difficult shots. A light lunch can be procured on the ground. It is expected that a large crowd of spectators will visit the tournament this after-
