Excessive Rains Keep Links Too Wet for Play.

INTEREST GOES AHEAD, ANYWAY

Field Club Handicap List Contains the Names of One Hundred and Eighteen Players and is Effective Now.

There have been having hard rows to go during the last two weeks as Old Jupiter Pines has taken the hands at a little game of his own and mistreated the greens so thoroughly as to make playing impossible most of the time.

More interest attaches to golf this season than ever in Omaha. The Field club handicap list contains the names of 118 players who are regular at the game and besides there is a large number of players who do not care to be handicapped, but simply play among themselves for the sport of the game without entering into the contest feature.

The Country club golfers made those from the Field club look like beginners in the game played on the Country club links a week ago. Revenge is promised when the return match is played on the Field club links July 14th.

More women are partaking of the pleasures of the game of golf this year than ever and some are playing excellent games. The regular course for the women at the Country club cuts out the three holes which are in the outside pasture, but last week the day was so perfect they decided to play the entire eighteen holes.

SWIMMERS COMING TO THE FRONT

Many Races Scheduled and Good Men Being Developed.

NEW YORK, June 8.—Judging from the number of long distance swimmers races which are being scheduled by various athletic clubs of the east and west there is concerted attempt being made to develop swimmers capable of going a long distance in a feature in which the American aquatic experts have been weak in the past.

BONHAG LAYS OUT BIG PROGRAM

Will Undertake to Set New Marks for All Distances.

NEW YORK, June 8.—George V. Bonhag, America's champion distance runner and conqueror of Tom Longboat, the Indian, has started on an outdoor campaign which may carry him through the season. Though Bonhag is extremely modest in his expectations, his friends are enthusiastic over the prospect of his breaking the barrier.

POTTAWATTAMIE HEAP BIG INJURY

Scalps the Douglas Boys in Rude Fashion After Leading Them into a Fatal Ambush.

Nine picked braves from the tribe of the Pottawattamies across the river swooped down on the Cliff Dwellers Saturday afternoon at Dixie park and took the scalps of Colonel Ryder's hunkies. The contest was fraught with threats of bloodshed, but by careful management injuries were prevented and the final score was 5 to 1 in favor of the tribe from over the Big Muddy.

BOY WONDER WITH THE WEIGHTS

Lee J. Talbot of Merceburg Makes Many New Records.

PHILADELPHIA, June 8.—The greatest athlete developed within the last ten years is Lee J. Talbot, the young Merceburg academy weight thrower, who, only 19 years of age, has already shattered the world's twelve-pound hammer record five times, set new world's scholastic figures for the twelve-pound shot and defeated the best college men of the east and west in throwing the sixteen-pound hammer, the standard for college and amateur competition. His mark for the latter event is 135 feet.

Talbot stands six feet four inches and weighs 230 pounds. He is finely proportioned, with massive broad shoulders and a deep chest. His legs, unlike those of most tall men, are well proportioned and muscular. This is Talbot's first year at Merceburg, he having previously attended the Manual Training school of Kansas City. Next fall Talbot will enter the agricultural course at Cornell university and the Ithacans will then have a weight thrower who is almost sure of two first places, even at the present time. In this event Cornell has previously been considered weak.

Talbot's greatest record for the twelve-pound hammer was made a fortnight ago, when he tossed the missile 205 feet 10 1/2 inches in the middle states interscholastic championships. The young giant first attracted notice last year when in the western championships he threw the twelve-pound hammer 185 feet 3 inches. In the first indoor meet during the winter season in Philadelphia Talbot tossed the twelve-pound shot 63 feet 2 1/2 inches, slightly better than the world's record of Rose. He was, however, denied the world's record on a technicality. At Princeton, in the interscholastic meet, the Merceburg star made his first world's record, throwing the twelve-pound hammer 190 feet 9 inches. This was far better than any record.

Talbot's relay meet Talbot tossed the sixteen-pound missile 133 feet 6 1/2 inches, winning the event and beating Horr of Syracuse, intercollegiate champion, and many of the stars of the east and west. He also took third place in the discus, an event at which he was unfamiliar, and third place in the sixteen-pound shot put.

The first essay of the young giant came in the Yale interscholastic games. He threw the twelve-pound hammer 133 feet, bettering his own record, and he also won the shot put with nearly fifty feet. Today Merceburg will send its track squad to Chicago to compete for the western championships and the giant weight thrower will have another opportunity to measure strength with his former rivals.

CHAMPION EGAN TO TRY AGAIN

National Amateur Golf Leader Will Compete.

NEW YORK, June 8.—Chandler Egan, national champion of 1904 and 1905, will again try for that honor this year. The young Harvard graduate said last fall that the Englewood tournament, in which he was put out of the running by George Lyon, the veteran Canadian golfer, was his last try for national honors, as he intended in future to devote his time to business. But then the medal play for the qualifying round starts at the Euclid Country club in Cleveland on July 3. Egan will be there with the rest of the strong Chicago contingent. Egan, judging from the form he is displaying this spring, has succeeded in "straightening out" his usually long drive. Last year in nearly every important match in which he played, Egan showed weakness in his driving and only his remarkable ability to play out difficulties saved him. But this year, in addition to getting the long distance, Egan is driving the ball straight down the course.

Win from Fort Omaha Signal Corps in Close Game.

The Omaha Real Estate team defeated the Fort Omaha Signal Corps in an interesting game at Dixie park Saturday afternoon. The score was 5 to 4. The game was a close one, with the Omaha team leading in good plays, the soldiers getting two doubles and the Exchange fifteen hits, several of which were for extra bases. The soldiers' four runs all came in the fifth inning on an error, a base on balls and four hits, three of which were of the long variety. The Omaha team led in the sixth inning, but the soldiers' pitcher, Lyons, went into the box at the beginning of the sixth inning and held the soldiers safe at all times and without a hit. The Exchange boys bunched their hits, making five in the ninth inning, winning handsly on Edmonds' timely two-bagger.

SHRUBB IS A HEAVY MEAT EATER

Champion Long Distance Runner Explodes One Theory.

NEW YORK, June 8.—Alfred Shrubb, the world's champion distance runner, dropped a bomb in the midst of Yale's flesh abstainers. The fleet and untiring Englishman has exploded all their theories about vegetarianism being essential to endurance tests. Shrubb eats meat three times a day. He has been a vegetarian for a number of years, but he has found that he is not a non-flesh eater. He has found that he is not a non-flesh eater. He has found that he is not a non-flesh eater.

DAVID CITY MERCHANTS WIN

Entire Town Turns Out to See Defeat of Local Team by Omaha.

DAVID CITY, Neb., June 8.—(Special.)—A week ago the county officials challenged the merchants of David City to a game of ball. The game was played Friday afternoon at the David City grounds. The Omaha team, in their gray uniforms with white shirts, played to a victory over their white uniforms, gathered at 2:30 for the parade to the ball park, headed by the chief of police, Robert Latimer, and Mayor Ross; next, the city council, band, merchants, with all kinds of banners, then the officials, with banners; then the women of the town and daughters of the officials, with the crowd of 1,000. The game was the largest crowd that has made its appearance at the ball park. The grandstand was packed and hundreds of people lined the field to see this game. All business houses were closed.

The game was called with the merchants at the bat, who were Dan, Jordan, Plack, Lorens, Shiner, Hager, Fahr and Zellinger. The officials were Holland, Thomas, Mashek, Harris, Hunsaker, Perry, McGiffin, West and Duncan. Score: Merchants 3 3 6 1 1 0 2 4-23. Omaha 1 1 1 1 1 1 1 1-10. Batteries: Merchants, Des, Lorens and Plack; officials, McGiffin and Holland. Home run: Plack.

Notes of the Game.

Wyland acted as if he had seen a base ball somewhere before. Ford and Good both tried to nab an easy one with the usual result. Neither was hurt, however. Frank Mahoney almost repeated his record of last year when he muffed six easy flies in succession. The soprano chorus, led by Misses Blanche Zimman and Grace Berger did well for the cheer.

Tracy got a bad one over the heart, and when he refused to go out the soprano chorus voted he was such a dear. Colonel Ryder refused to talk after the game, but from the way he looked something may be expected to return game, to be played in Council Bluffs.

After putting Glasman in as his substitute as umpire, Mayor Dahlman amused himself by sitting on the porch of the clubhouse and roasting his substitute. Tommy Toy had his batting eye with him the first part of the game and threw out a hot one to short. Owing to the graceful way he circled first base the official scorer allowed him a two-bagger.

HILLS LAY OUT HARRIMAN TEAM

Fierce Game on Hedy's Grounds Goes to the Burlington.

The traffic departments of the Hill and the Harriman interests lined up at Council Bluffs on Saturday afternoon in a contest resulting in the defeat of the Harriman bunch with a score of 8 to 4. The grounds were in a deplorable condition, owing to the recent rains, and the players rapidly assumed the appearance of a grading outfit. The features of the game were a triple play made by the Union Pacific, a double play by Williams unassisted and the umpiring of Mr. Gordy, which was excellent.
