### **ANNOUNCEMENTS**

SUCCESS SURE TO COME TO THE SUMMER TERM GRADUATE

Not long ago a business man said to me "Mr. Boyles, can you give me next fall a dozen young men who have studied all summer to qualify themselves for stenographic or accounting positions? If you can, I can safely guarantee to you that those young men will be on the road, or holding down some other important position in my house, making big money for themselves and for my concern five years from now. Have had three summer term graduates from Boyles College and never in my life have I seen such thoroughly capable, keen, alert, young business men, Give me some more."

THE SUMMER TERM OF BOYLES COLLEGE IS NOW OPEN.

It offers you the opportunity of so preparing yourself that you will be ready for business when business will be most ready for you. The courses are precisely the same as those of the winter term. The same staff of instructors teach stenography, telegraphy and bookkeeping to Boyles College students in the summer

with respect all young men who have grit enough to deny themselves the advantages of summer leisure in order that they may qualify themselves for business positions ought to be sufficient reason in itself to induce you to decide to take your stenographic, bookkeeping or telegraphy course this summer instead of waiting for the next winter term. Why not come in and see us about it? At

BOYLES COLLEGE. H. B. BOYLES, PRES. BOYLES BLDG. OMAHA, NEB.

## AFTER RAINY

Your clothes will look shabby, and won't feel right on you; that is the time to call us. Maybe your clothes need cleaning, dyeing or repairing. We give personal attention to all this work, combined with prompt service, excellent workmanship and reasonable prices. These are the only arguments we use for your business.

What have you to trade for these: We have a fine 160 acre farm in Custer County, Nebraska, 120 in cultivation, house and barn, all tenced and cross-fenced, one and one-half miles to town, first-class soil. 640 acre farm in Lincoln County, Nebraska, 12 miles south of North Platte, 4 miles north of Somerset. All can be cultivated. List whatever you have to trade with us. We can trade anything no matter what it is or where it is located.
