Manual Training Endorsed.

Si5,000 Resolved, That we heartily favor and earnestly recommend the establishment of manual training in the primary department of our public and district schools wherever practicable, and believe the equipment required should be the best that can be afforded. Also, that we heartily favor an extension of the facilities for acquiring an education in agriculture, mechanical arts and domestic science by the establishment of additional schools throughout the state.

1,500 We think the state can expend the money for no better purpose than to promote in all practical ways the industrial education of the coming generation; therefore, be it tional data they may obtain.

Resolved. That this association petition.

nterstate Commerce commission to base the interstate rates at the Missouri river istead of the Mississippi river and to stablish uniform classification. Acting on the report of the special com-mittee, of which Dillon Turney of Fairfield was chairman, the association adopted a new schedule of dues, as follows: For nembers capitalized at \$10,000 and under, \$5; between \$10,900 and \$50,000, \$19; between \$50,000 and \$100,000, \$15; from \$100,000 up, \$20. It was estimated by the committee that such a schedule would bring in about \$4,000 a year. Members not capitalized, associate nembers, who include jobbers and other shippers not manufacturers, will pay a fixed annual due of \$10.
