RANKS OF G. A. R. THINNING

Loss in Membership, However, Not So Great as Preceding Year.

NUMBER OF POSTS STATIONARY

Colonel David J. Palmer Likely to Be Elected Commander Without Any Serious Opposition--Drinks University Prospects.

(From a Staff Correspondent.)

DES MOINES, June 12--(Special.)--At the annual meeting of the Departments of Iowa, G. A. R., at Dubuque today, the report of the committee on membership, which was presented, showing the gains and losses in membership in the state. The report shows that there were 11,218 members of the Iowa department the first of 1906, and at the close of the year 1906, a net loss of 18 in membership. The net loss in the previous year was 216, so that a better showing was made than for several years. The total number of deaths during 1906 was 253, which was thirty-three less than in the previous year. Each year a number are taken into the G. A. R. posts who have never been members before, and there were nearly 200 of these last year. The number of posts remains almost stationary.

At the various campfire and meetings at Dubuque during the week Secretary Tatt, Governor Cummins, Senators Allison and Keene, and Charles A. Young, of the G. A. R. will speak. While this is true, it will not likely be any political act. The contest over department commander will be without harshness. It is anticipated that Colonel David J. Palmer of Washington will be elected commander in chief of the State Railroad commission and popular for his old army songs at the encampments. A. J. Haraden of Marshalltown, who was a candidate last year and was defeated by Colonel Charles A. Clark, will again be a candidate. There was some consideration last year to a possible candidacy of Lieutenant Governor Herriott for the place, but his name will not be presented.

It was the desire of a good many of the Iowa members to present the name of Colonel James A. Clark for commander-in-chief, but he has declined. He tried to induce as he did not care to run the risk of being put in jail again. Moyer had been in bad health ever since he was released from the military prison at Telluride. "And he continues in ill health so far as you know?" asked Richardson. "He was the last time I saw him."

Moyer said it would be a good thing to do "some outside work." "He told me to get Johnny Neville," said Orchard. "Neville had told him he knew about the independence depot and had demanded \$1,200. Moyer said he was afraid of Neville and thought it would be safe if he was out of the way. I told Moyer I would do it."

Drake University Meeting.

The annual meeting of the Board of Regents of Drake university was held today with Theodore P. Shonts presiding. President Beel delivered his annual address before the board of regents. He referred to the increase in attendance in the college of liberal arts and to the improved finances of the college due to the cutting off of some nonproductive departments. It is the intention of the college to devote its energies next year in the matter of additional building to raising a fund for the construction of a new building.

Ex-Convict Doing Well.

The Iowa legislature last winter found just one out of twenty-seven life termers serving in the penitentiary to be worthy of parole. This was Jasper Mason, who murdered a man in Dallas county thirty-two years ago. He was released on parole of the parole that Mason has been granted a position with a man in a neighboring state and he would go there. Investigation disclosed that Mason has become acquainted with the man in the penitentiary and that it would be hardly proper for him to join with his prison friend. Accordingly Mason has been found work in a small Iowa town, as a carpenter, and he is earning good wages. He writes the state officials that he will go to Oregon as soon as he has earned sufficient money.

Insurance Men Organize.

The local insurance agents of Iowa to the number of about 200 met here and effected a state organization under the direction of a fan organization of national scope which has been formed. It is the intention of the insurance agents to thoroughly organize in every state for mutual protection and to advance their own interests in every way. A national organizer from Erie, Pa., is here. The next annual meeting will be held in Des Moines.

New Line to New Orleans.

KANSAS CITY, June 12--J. A. Edson, president of the Kansas City Southern railway last night announced the route for the proposed extension of the line to New Orleans. The New Orleans branch will start from Leawards, La., 118 miles north of Port Arthur, and run southeasterly through Oberlin and Eunice to Crowley on the Southern Pacific, which will be paralleled by the Southern Pacific line, passing through a rich sugar plantation country. The length of the branch from Leawards to New Orleans will be about 320 miles, and the distance from Kansas City to New Orleans 833 miles. This will be the shortest line between Kansas City and New Orleans.

Third Victim of Explosion.

QUINCY, Mass., June 12--Charles Sanden of this city died today, making the third in a row to die from the explosion of the works of the Fore River Shipbuilding plant yesterday. The explosion was caused by the blowing off of a balance plug on a steel shaft which was on one of the large fires. The explosion killed instantly Charles Heag and workman supposed to have been John Casey. Sanden sustained a fracture of the skull and never recovered consciousness.
