### Oxfords are Ripe!

Oxfords are making their appearance everywhere. The man who enjoys foot comfort will get his feet inside a pair as soon as he possibly can. The styles are very handsome this year. Some of the new ideas are particularly so. **CHOICE LEATHERS CORRECT STYLES \$3.50, \$4.00 to \$5.00** Same old price song, we know, but not the same old Oxfords—not by any means! It's the quality that counts, not the price.
