Chicago Grain and Provisions Features of the Trading and Closing Prices on Board.

CHICAGO, June 18.—Additional reports of damage to winter wheat in Kansas formed the chief reason for renewed strength today in the grain market.

Many of the advices from Kansas were extremely positive, declaring that the cause of injury by green bugs and unfavorable weather the new crop will not be more than 100,000 bushels below the crop of 1906.

The feature of the day was the activity and strength of the July delivery which was in urgent demand by shorts. The feature of the day was the activity and strength of the July delivery which was in urgent demand by shorts.
