New Manager for Fremont. FREMONT, Neb., June is.—(Special.)—
Jack Shea has taken charge of the Frement base ball team and will act as manager and captain the balance of the season. His first official act made him solid with the fans. It was the discharge of Bebau, who has been playing around second base and accumulating a lot of distressing errors. Seeley has proved the right man in the right place in the field and unless the Western league gobbles him up, will put the team back where it was.

In the old days Commy's men were the "Lucky Sox" and the "Hitless Wonders." Today it is pretty universally agreed that the champions win their games and keep in the lead by always playing ball. But the fans who have never seen Commy's men play at home still cling to the delusion that the Sox hold the leadership by sheer good fortuna.
