MEN WANTED FOR THE UNITED States navy. Self respecting young Americans are needed to make the United States navy the best for its size in the world. The lazy and triffing and weak need not apply. We want the gun pointers of steady nerves, who can make their shots count, gun crews that can fire the sixty ton gun three times per minute or the eight ton gun ten or twelve times per minute; we want the machinists, foremen, electricians, blacksmiths, clerks, hospital apprentices, cooks, bandsmen necessary to keep our battle ships and their crews of 500 men in the finest possible condition. The navy's chief object is to prevent war, but if we have war we will need our best men in the fleet to match the men of other nations. We must have trained Americans of abilty and stout harts behind the gun and at the throttle. Four to five months at training stations. Modern ships and methods of training. All recruits now transferred to Norfolk, Va. Write or apply to Navy Recruiting Stations, postoffice building, Omaha, Lincoln, Hastings, Sioux City and News Arcade, Des Molnes.
