

GRAIN AND PRODUCE MARKET

Snap and Underdone of Strength Are Not There.

CORN, OATS AND WHEAT BETTER

Reports on All Grain Show Improvement and More Assuring Hope of Harvesting Large Crops.

OMAHA, June 20, 1907. The market does not show the snap and underdone of strength it did at the opening yesterday. Winter wheat reports continue to show improvement and corn and oats both more assuring.

Wheat. The market is better on higher cables, but with heavy selling on the advance and light buying power did not hold the strength. The market opened at 47 1/2c bid and closed 48 1/2c bid.

Corn. The market is better on higher cables, but with heavy selling on the advance and light buying power did not hold the strength. The market opened at 47 1/2c bid and closed 48 1/2c bid.

OMAHA LIVE STOCK MARKET

Beef Steers Are Slow to Ten Cents Lower.

COWS VERY HARD TO DISPOSE OF

Hogs Active at a Decline of Two and a Half Cents—Fed Sheep and Lambs Steady, Westerns Lower.

Receipts were three additional cars of Idaho grass, the same as were here yesterday and the day before. As noted yesterday, the feeling among buyers is that the market started out most too high and that prices will have to come down.

Beef Steers. The market is better on higher cables, but with heavy selling on the advance and light buying power did not hold the strength. The market opened at 47 1/2c bid and closed 48 1/2c bid.

Cows. The market is better on higher cables, but with heavy selling on the advance and light buying power did not hold the strength. The market opened at 47 1/2c bid and closed 48 1/2c bid.

Hogs. The market is better on higher cables, but with heavy selling on the advance and light buying power did not hold the strength. The market opened at 47 1/2c bid and closed 48 1/2c bid.

Sheep and Lambs. The market is better on higher cables, but with heavy selling on the advance and light buying power did not hold the strength. The market opened at 47 1/2c bid and closed 48 1/2c bid.
