

# HAYDEN BROS. PIANO DEPT.

The Great Piano Sale will continue for another week. All records have been broken. This undoubtedly is the greatest piano sale ever held in this section of the country. Every customer who called at our ware-rooms was more than pleased with the piano they purchased. Never were such thoroughly high grade standard make pianos sold for prices less than they cost to manufacture.

## THE REASON WHY:-

Our very low offer to the Smith & Nixon Piano Co., for the entire stock of the PERFIELD PIANO CO. was accepted, because we contracted to carry their entire line throughout this territory. We will continue to be their representatives and that is why we can afford to guarantee every piano offered in this sale to give entire satisfaction or refund you your money. EVERY PIANO WE HAVE EVER SOLD WAS THE BEST VALUE THAT OUR MONEY COULD BUY. THE STOCK IS NOT A RIFRAFF OR JOB-LOT STOCK OF SAMPLE SECOND-HAND OR WORN-OUT PIANOS WHICH THE PIANOS DEALERS IN OMAHA HAVE TRIED TO MAKE THE PUBLIC BELIEVE. REMEMBER, HAYDEN BROS. guarantee every piano in this sale, and that is why we sell more pianos than all the other piano stores in Omaha combined.

## MAN KILLED, TWO WOMEN SHOT

Passengers Fight for Lives, Finally Disabling Crashed Man—Train Crew Keeps Away from Scene of Trouble.

DENVER, June 22.—In a shooting affray that occurred in a chair car of passenger train No. 5 westbound on the Chicago, Rock Island & Pacific railroad late last night between Dresden and Salina, in western Kansas, a man named T. B. Topp of St. Paul, Minn., was killed and Mrs. Morris Olson and her sister, Mrs. Harry Blackley, both of Arriba, Colo., were wounded. The shots were fired by John Bells, an Italian barber, enroute from Boston to San Francisco, who had boarded the train at Chicago Thursday night.

Result of Drinking Vermouth. At Goodlands, Bells and a companion, Felvy Leganbradi, also an Italian, were removed from the train and locked up in jail. Bells was accompanied by his wife and four children and Leganbradi by his wife and five children. The women and the children continued their journey to San Francisco. Mrs. Leganbradi said the two

## "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are dulled, and many an evil deed or impure thought is directly traced to the impurity of the blood. Foul impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It cures and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. E. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

men had been drinking vermouth all day yesterday. About 8 o'clock they fell asleep. At 10:30 Mrs. Leganbradi says Bells awoke and began to protest wildly that some one was trying to mob him. Then he rushed up the aisle and began shooting.

The man who was killed was middle aged and well dressed. He had a ticket which bore the name of Crompton. Mrs. Olson is a young bride. Her husband was not on the train, having gone on ahead to Arriba, Colo. Later the dead man whose ticket bore the name Crompton, was identified as T. B. Topp, a tailor of Minneapolis, Minn.

## EXERCISES AT SACRED HEART

Program of a Most Pleasing Character Witnessed by a Large Audience.

An audience which taxed the capacity of the parish hall listened to an excellent entertainment given last evening by the pupils of Sacred Heart school. An address by John Moore opened the program, following which came a drill and song by boys which pleased the audience immensely. A drama, "Lost Among the Fairies," given by a number of little girls, received enthusiastic applause. Agnesita Ford took the leading part and the following also had leading roles: Ina Murphy, Dorothy Grady, Margaret Connor, Catherine Welner, Margaret Elderer, Eleanor Murray, Mary Horrigan and Regina Squares. Rose Gentilman sang a solo and then the boys of the fifth and sixth grades gave "The Challenge." The girls of the third and fourth grades gave a pantomime, "Last Rose of Summer." The program closed with an operetta, "The Bell in the Forest," which was rendered with great success.

Following the entertainment seven handsome gold medals were awarded. They were given by Edward Kelley for proficiency in Irish history. No one knew who the winners were to be until last evening. All the examination papers had been handed in with numbers in place of names. Father Manning, who had examined and marked the papers, read the list of winning numbers and Father Judge, pastor of the church, read the names from the key. They were as follows: Solus prize, Joseph Hiron; first prize, Hazel Osborne; second, John Moore; third, Edward Mueller; first on second prize, Jane O'Neill; second, Marie Spellman; third, Emanuel Maher. Leo Kowler received a certificate of honor for attendance. Following this Father Judge addressed the pupils and audience, reviewing the work of the school for the year.

## THOMAS CANON KILLED BY CAR

Walking on Track When He is Run Over and Bodily Frightfully Mangled.

Thomas Canon, a 19-year-old youth, was run over by a switch engine and a string of boxcars at 8:30 Friday and killed. His body was almost completely cut in two across the middle of his right hand was cut off. The accident happened on the Union Pacific switch that runs to Swift's icehouse near Cut-Off lake. Young Canon and two companions, Bert Kendrick and Tom Morrow, had some fishing at Cut-Off lake in the afternoon and, according to the story of the latter two, the three boys were on their way to the icehouse to get some ice for their drinking water, when Canon, who was walking on the track, was run down by a string of boxcars that were being backed down the switch. His companions hastened to a telephone and notified the police station. Coroner Brantley went out and got the body.

The boy's father is Daniel W. Canon, secretary of the Eagles' lodge. At 9 o'clock he heard there had been a boy killed by the cars near Cut-Off lake and, as he knew his son was out there, he became worried. He stayed at the coroner's office until 1 o'clock, when the body was brought in, and although somewhat prepared for the shock, he was greatly overcome by grief and was at a loss to know how to break the sad news to the mother. The young man was in the employ of the Adams Express company in this city and worked at the depot. He sometimes made trips on the train as messenger. He had been confined to the house for some time with typhoid fever and this was his first outing since his illness. The family live at 245 Lake street.

## FIFTH WARDERS FOR SMITH

Club Endorses His Candidacy for Clerk of the District Court.

The opening gun in the coming political campaign this fall was fired last night at the regular meeting of the Fifth Ward republican club at McKenna's hall, Sixteenth and Locust streets, when several candidacies for offices were announced and speeches made by several local men. Every chair in the hall was filled when William Christie, the newly elected president of the club, called the meeting to order and thanked the members for his sixth election to the office of president of the organization. Harmony in the political actions of all good republicans was the keynote of the addresses and Mr. Christie cautioned the members to select candidates of known political integrity and ability.

Neil Farrell introduced a resolution endorsing the candidacy of Robert Smith, the present county auditor, for county clerk of the district court, and such endorsement was unanimously given by the members present when the motion was put by President Christie. Mr. Smith responded with a brief address, thanking the members for their endorsement.

H. Belsel, who has announced his candidacy for county treasurer, also delivered a short address asking the citizens' support at the primaries and at the polls.

U. B. Balcombe was introduced by the chairman and announced his candidacy for county assessor and spoke briefly on the general political situation.

The speaker of the evening, John Ryder, was then introduced and said in part: "I gladly accepted an invitation to address you gentlemen tonight because in these clubs we meet the citizens representing the backbone of this country—the home builders, honest workers and men with a deep sense of patriotic duty. It is the active workers in the clubs who are the active workers in the community who do the work and direct the trend of public thought and the people have taken the republican party on faith for many years and they have refused to take the democratic party even on oath. That is the distinctive difference between the two parties."

Mr. Zleser, representing the McKinley club, made a brief address, extending a most cordial invitation to the members of the Fifth Ward republican club to attend the next monthly banquet held by the McKinley club at the Chesapeake cafe, which will be held on the evening of July 1.
