OFFICES

It is very seldom that good outside space in a well appointed office building is available. At the present time we have a beautiful suite of two rooms on the fifth floor, with east and south light, a large vault, which makes this a most desirable space during either summer or winter.

Room No. 546 is now vacant and is lix19, with a good-sized vault; has east light. A new hard-wood floor was recently put in this room.

A new hard-wood floor was recently put in this room. We have a small office on the east side of the building which can be rented to you the building which can be rented to you on good terms.

Everybody in Omaha knows the location of the Bee building; it is central, close to the city hall and county court house. There are several hundred people who spend more time here than in their homes and any one of them will testify as to the care they receive here.

BOOST FOR POSTAL CLERKS

More Money for Them and Carriers First of July.

OVER TWO HUNDRED MEN HERE

New Schedules in Salaries Made by Uncle Sam Will Affect Thousands of Employes Over Country.

The Omaha postoffice officials are bustly engaged in arranging the schedules of promotions and changes in the salaries of the clerks and carriers which becomes effective

under the new law. About 115 clerks will be affected by the salary changes in the Omaha office and 125 carriers. The clerks and carriers in offices of the first and second class will be No. 2, five miles, about 35,000 divided into six grades. In the first grade Section No. 3, five miles, about 25,000 the salary will be \$600; second grade, \$500; Section No. 3, five miles, about 25,000 the salary will be \$600; second grade, \$1000, 8fth. grade, \$1,100; sixth grade, \$1,200.

On the first day of the month clerks been drawing pensions previously. So small and carriers at first-class offices will be is the number that the law will prove cubic yards.

Plans and specifications may be seen at the office of the company. Atlantic, Is.

Bids must be accompanied by certified check of one hundred dollars (3100) for fourth grade. The announcement of these cach section bid upon, as a guarantee that the contract will be entered into in case it is awarded.

The right is reserved to reject any or all bids.

Expense of the New Service Law Much Less Than Officials Expected.

The pension roll and its expense to the nation have begun to decrease, notwithstanding the service pension act of the last congress, which temporarily added less than \$15,000,000 to the expenditures. Officials of the pension bureau in Wash

ington, legislators and others interested in the new law are expressing surprise at third grade, \$800; fourth grade, \$1.000; fifth the remarkably small number of old soldiers applying for pensions under it who have not promoted successively to the fifth grade, for less expensive than was expected at and clerks and carriers at second class of-fices will be promoted successively to the fourth grade. The announcement of these

Up to date 338,000 applications under the new schedule have been filed, and probably work of placing the names on the new rolls is going forward at the rate of 3,000 a day, Of those so far filed, 981/2 per cent are of veterans who have been drawing pensions at a rate lower than that provided by the new law. There are great numbers who have drawn \$6 a month (the lowest rate) and who will go into a higher class, debeginning July 1, and involves an infinity pending on age. There are many in the \$8 and \$10 classes, while there are some in higher classes, who get the advance because of great age. All these are rapidly filing their papers and will get an advance Weather Prophets Quick to Perceive of about \$3 a month on an average The remainder are able-bodied veteroans who been drawing pensions already from dis-

ability and other causes. At the time the law was drafted it was estimated that it would cost approximately possess a pet cat or parrot or canary. \$15,000,000. If all the applications so far made were to be granted, the increase would amount to some \$2,000,000 less than that figure. It is held that practically all the applications are in already, that a certain per cent will be rejected, and that, as a result, the sum included for this new
