Airship Starts Saturday-The first flight of the new airship now being built by H. E. Fredricksen is planned for Saturday evening from a secluded nook yet to be The gas bag and superstructure of the airship are practically completed and final tests of the light-weight motor which is being specially constructed are now being made, with highly satisfactory results. A large tent to house the airship will be received in a few days and if present plans mature Omahans will see a home-grawn airship floating over the city next Saturday

evening. Many Indicted, Says Bush-Special Assistant Attorney General S. R. Rush has returned from Denver where he has been investigating the coal land frauds in Colorado before the federal grand jury there. A large number of indictments was returned, some against some pretty prominent people. "I am not at liberty to give out any names as yet," said Mr. Rush, "as many of the indicted parties are not under arrest or given bond. Bench warrants were issued for several of the tarries. Notwithstanding the returning of a number of indictments, the investigations are still being continued."

Fight to Prevent Ouster-Hanna Lovely, uth Omaha milliner, has begun suit in district court to prevent Thomas F. Maloney, her landlord, from ousting her from the premises she occupies. She says without her knowledge or that of her attorneys he secured in Justice Foster's court a judgment to compel her to vacate the property. She says she built the store building on the lot she leased from him and under the terms of the lease he was to buy the property from her at the expiration of the term. She secured a restraining order from Judge Sears to prevent Maloney from ousting her until the hearing of her suit.

A Cure for Lame Back. If you are ever troubled with pains or lameness in the muscles of your back use Thamberlain's Pain Balm and they will suickly disappear. Mr. Alexander Viollette of Vulcan, Mich., says it is the best liniment he ever used for lame back. For vale by all druggists.

CURES

Chronic Ulcers are the result of a deeply polluted and foul blood supply.

nto the place through the circulation, until all the surrounding flesh becomes

in old ulcer suggests pollution; the discharge, the red, angry looking flesh, the

uffaumation and discoloration of surrounding parts, all show that the ulcer is

prevented from healing by the constant drainage through it of impurities from

he blood. This impure condition of the blood may be hereditary, or it may be

he remains of some constitutional disease, or the effects of a long spell of

sickness, leaving disease germs in the system, or the absorption of the refuse of

he body which has not been properly expelled through the natural channels. But whatever the cause, the blood is so weakened and polluted that it does not

properly nourish and stimulate the place, and the age cannot heal. Salves,

plasters, lotious, etc., keep the sore or ulcer clean, gelieve pain, and perhaps

educe inflammation, but can never permanently her them because they do not each the blood. S. S. S. goes down to the very fantain-head of the trouble,

frives out all poisons and germs, builds up the weak, sluggish blood, gives

nergy and strength to the system, and by sending a fresh, healthy stream of

glood to the diseased parts, allows the ulcer to beal naturally and permanently.

Nothing reaches inherited taints like S. S. S. It cleanses the circulation of

every frace of hereditary disease or impurity, and those who have nursed and

treated an old sore for years will experience good results as soon as the system

becomes influenced by S. S. S. Book on Fores and Ulcers and medical advice
