Diamond Information
Rough stones are mostly from Africa, cut mostly in Amsterdam, imported to America, and you have to pay the import duty.
Diamonds are Imported Free Cut in this country are like everything else American, cut superior. We buy our diamonds cut in this country and give our customers the benefit of this saving. Diamonds bought right are a splendid investment. We have just received our year's supply. They are all absolutely perfect and elegant color. Just let us have a chance to show you anyway. \$10,000 of LOOSE UNMOUNTED stones to select from.
