CINCINNATL O., June 26 .- Before the Ohio Bankers' association today, Milton Congressman Boyd spoke briefly, stating E. Alles, vice president of the Riggs Nahat he concurred with Senator Burkett tional Bank of Washington, spoke on th n the bellef that a public official was a financial system of the United States.

Criticizes Financial System.

was measured by the treatment the people Probably not since the days of Andrew received from the postmasters. He also falackson, Mr. Ailes began, has the public vored the Sunday closing law and would nterest in the relation of the government do what he could to secure its passage by and the banks been greater than during the past year. Mr. Ailes pointed out the Resolutions were adopted commending the singular fact that while America was efficiency of President Palmer and Secreguick to adopt modern methods in almost tary Cook to Ttheir efficient services durevery field of endeavor it had been slow ing their incumbency of their respective working out a financial system that offices, to the first assistant postmaster would keep pace with the extraordinary general for sending representatives of his developments of the country; that while department to the convention, and for the we here taught the old countries new valuable information so freely given by methods in arts and industries our dur these officials, which resolutions were rency and banking laws had remained crude. "They do not belong to this era of Resolutions were also unanimously modern equipment; they belong to the days for courtesies extended; to the Ak-Bar-Ben; of the ox-cart and the sail ship and have to the Millard hotel; to Senator Burkett to place in an age of electricity and steam. and Congressman Boyd for their presence

Mr. Allos demonstrated how necessary 1 is, under our present system for the secdaily papers for the liberal space given retary of the treasury to give occasional assistance to the money market in order to The report of Secretary-Treasurer Cook avert financial disaster. Every secretary adopted to the Commercial club of Omaha of the treasury, in the past thirty or forty years, had been obliged to render such assistance. It was made necessary by reason of the accumulation of revenues in the A motion prevailed that it was the sense vaults of the government and the taking of the association that the postmasters out of the circulation just so much money enlist the interest of the superintendents as was received by the government. Every of the various public schools in their re eason which such relief should be extended spective localities in the matter of eduxisted, yet every secretary of the trenscating the school children in the matter ury, by giving the assistance, had sub of addressing and stamping mail properly ected his assistance to political criticisms and that some method be adopted whereby from his opponents "and so long as we the public may be better informed upon maintain an Independent treasury, into the matter of proper postage and the proper which is poured our surplus revenues, necessitating subsequent distributions Short addresses were made by Miss A among banks, so long will political op-Willey, postmaster at Neligh; Miss Cora E. ponents continue to inflame the public Raker, postmaster at Gretna, and Miss mind.

Idle Money Cause of Disaster.

Mr. Ailes said that the government surplus for the current year would amount to between \$\$0,000,000 and \$90,000,000 and that the locking up of so vast a sum could not be tolerated, as it would be followed by financial disaster. He suggested that the ollections be made through the banks, withdrawing such amounts from the banks and the preaching will be by Rev. Mr. as are needed to meet expenditures. By this plan the secretary of the treasury would escape the unreasonable criticism

financial or commercial life the public and banks and not the treasury, then would be responsible.

be ne. ssary to have some governing authority or central institution stand in a position to afford relief. He urged that the adoption of such a plan would render our circulation more elastic and would eliminate some of the evils of the present system. Mr. Alles concluded:

prived him of two horses. The thefts were it is thought, committed by the same persons, consequently there is a flat reward of \$2,000 for nine horses. Other ranchmen who have had horses stolen are expected to add to the reward aggregate. Cortelyou is evidenced by that fact that he

This store has been transformed. You'll hardly recognize it. Bargains everywhere-and big price tickets, thick as bees in June time, tell a tale of price-destruction that you can scarcely credit until you see the goods with your own eyes. The merciless price cutter has held his sway and had his way. Nothing has escaped him, and the consequence is the most marvelous feast of bountiful bargains ever given in Omaha is now on in the millinery, shoes, men's furnishings, wall paper and music departments.

The Whole Millinery Dept. goes to the People at Big Reductions

We want to do the business of our lives Thursday. As soon as you enter the second floor you will see the greatest fluttering of price tickets, figures staring you in the face, no matter where you look. Everything is rearranged. FIRE RECORD.

Bread is Overbaked. FREMONT, Neb. June 30.-(Special.)-A bad fire broke out in Gumpert's bakery and warehouse on D street about 11 o'clock this morning. It caught back of the bake ovens, and when discovered was coming out through the roof. Before it was under control the bakery and laundry were ruined and a quantity of flour and sugar in the bakery warehouse soaked with water. Other goods stored in the main warehouse were also damaged by smoke, The loss to the building, a one-story frame, is about \$900. The loss to stock, fixtures, etc., probably will exceed \$2,000. The interruption of the business will also prove a heavy loss. It was a bad fire to control on account of the inflammable nature of the building and contents.
